Psalms of God's Presence: Spiritual Reflections , Talk Yourself Happy Kristi Watts,2017-01-03 Former cohost of The 700 Club Kristi Watts reveals the pitfalls that keep Christians from true joy and demonstrates the transformational power of speaking the words and promises of God How does a person bounce back after being beaten down personally professionally and emotionally What impact do words thoughts and beliefs have in determining one s level of happiness Kristi Watts asked herself these questions after her marriage dissolved and she left a high profile position as a cohost of The 700 Club Initially excited to walk into a new season of life that she thought held the key to happiness she soon stumbled into emotional pitfalls that left her discouraged disappointed and distant from God Known as the upbeat host who was always filled with joy and laughter she was anything but yet she was determined to get her happy back But how By learning as Kristi did that true happiness is not simply acquired but rather cultivated When one s words focus on faulty perspectives faith is quickly derailed but by remembering God s blessings and verbally claiming His promises hearts change Using biblical principles Talk Yourself Happy illustrates the importance of relying on God to tame our tongues and train our minds and it exposes the hidden traps that keep Christians from living lives of happiness empowering readers with the ultimate transformation of their hearts The Oeconomy of the Covenants, Between God and Man Herman
