*Swimming against the Current* Shaul Seidler-Feller, David N. Myers, 2020-04-14 *Swimming against the Current* comprises a collection of essays celebrating the career and achievements of Rabbi Chaim Seidler Feller who served as Executive Director of Hillel at UCLA for forty years and continues to be an influential leader in the Los Angeles and wider American Jewish community These articles like the honoree challenge intellectual convention and accepted wisdom by breaking new ground in how they approach their subjects They are divided into four categories that hold special interest for Seidler Feller Bible and Talmud Jewish Thought and Theology Modern Jewish History and Sociology and Zionism and Jewish Politics The volume also includes a sketch of Seidler Feller's life and work a bibliography of his publications and tributes by students and colleagues

*Journey Against One Current* Zhi-Dao "Julia" Duan, Zhi-Dao J. Duan, 1997-06-01 The Spiritual Autobiography of a Chinese Christian Julia Duan's story recalls missionary biographies of an earlier age Here is an intriguing story of a courageous woman who dared to stand up for Christ in Marxist China and the God who was her strength through it all At age 72 and after years of teaching Julia Duan left China and returned to student life at Whitworth College Spokane Washington and later at Moody Bible Institute Her story was discovered by Linda Hunt a writing professor at Whitworth when she read Julia's description of her first night in the labor camp Touched by this chapter in Julia's life Linda suggested she write her entire story She prayed and ultimately agreed to let her life be a spectacle to the world for God's glory Since journals were not allowed in the labor camp Julia set about writing her story from memory first in English and then in Chinese She squeezed writing time in between classes studies speaking engagements and work During the last four years Julia has been an ambassador for the believers of China participating in conferences for Chinese Christians in various cities Her stories challenged and inspired these believers most of whom converted to Christ after coming to America

**Against The Current** Barry Cole, 2015-07-13 In the summer of 1900 Thomas Cunningham begins work on a device that will harvest the inexhaustible energy found in magnetic fields At the same time the largest oil company in the U S implements its plan to monopolize energy and will stop at nothing to prevent the emergence of this new technology This is a story of discovery intrigue murder and the dogged perseverance of a family that chooses to go AGAINST THE CURRENT

*Against the Current* Guillermo E. Rosado Haddock, 2013-05-02 The present collection of seventeen papers most of them already published in international philosophical journals deals both with issues in the philosophy of logic the philosophy of mathematics the philosophy of language and epistemology The first part contains critical assessments and somewhat deviant renderings of the work of two seminal philosophers Frege and Husserl as well as of the young Carnap and Kripke The second part contains analyses of central issues in the philosophy of logic the philosophy of mathematics and semantics including arguments on behalf of Platonism in the philosophy of mathematics a defense of second order logic a new definition of analyticity a sketch of a semantics for mathematical statements and a critique of Kripke's possible world semantics for modal logic

**Boats Against the Current** Lewis Perry, 2002-08 *Boats Against the Current* provides a fascinating account of how American culture emerged from the sheltered elitist world of the eighteenth century into the dynamic turbulent civilization that reached full bloom after the Civil War The antebellum years were times of flux and change years of a society rushing into the western wilds muscular and ambitious yet haunted by uncertainty about its future and its past Renowned scholar Lewis Perry begins his study with a fresh look at Andrew Jackson vividly recreating a time when Americans feeling their ties to the past disintegrating fostered a new fascination with history Then Perry introduces us to the observations of such articulate foreign travelers as Alexis de Tocqueville and Fredrika Bremer He deftly weaves together these writers perspectives to provide a fascinating look at our emergent nation Here too are the women of the cities and frontier the peddlers preachers and showmen along with such writers as Hawthorne Emerson Whittier and Parker Perry brings these personalities and writings together to show us how early nineteenth century America saw itself in both its promise and its fears Now available for the first time in paperback *Boats Against the Current* offers a brilliant portrait of a society in the midst of change expansion and reflection about its own future and past Written by one of our leading intellectual historians it makes a major contribution to our understanding of the emergence of modern American culture

***Swim Against the Current*** Jim Hightower, 2008-03-04 The New York Times bestselling author and America's funniest activist gives the lowdown on how to put up not shut up in the fight for the country

s future Hightower introduces readers to people from across the country who are taking charge living their values doing good and doing well **Swimming Against the Current in Contemporary Philosophy** Henry B. Veatch, Harry B. Veatch, 2018-03-02 Looks at being a follower of Aristotle or St Thomas Aquinas in a modern philosophical world Against the Current: Simple Chapters from a Complex Life Edward Alfred Steiner, 2022-09-15 In *Against the Current Simple Chapters from a Complex Life* Edward Alfred Steiner offers a compelling introspection into various aspects of human experience through a series of autobiographical chapters Written in a lyrical and accessible prose style the book weaves together personal anecdotes with broader philosophical reflections revealing the intricacies of Steiner's life as a thinker and observer of societal dynamics Through vivid storytelling Steiner effortlessly situates his narrative within the broader context of early 20th century intellectual thought where his insights resonate with themes of identity migration and the search for meaning amidst societal upheaval Edward Alfred Steiner a philosopher educator and social critic draws upon his diverse experiences as an immigrant and his intellectual journey through multiple cultures His background in sociology and his profound engagement with social reform movements deeply inform this work enhancing its thematic depth Steiner's own struggles against societal currents imbue his writing with authenticity and passion making his reflections not merely personal but universally resonant *Against the Current* is recommended for readers who seek a thought provoking exploration of life's complexities through the lens of personal narrative Those interested in themes of resilience identity and philosophical inquiry will find Steiner's reflections both enlightening and relatable as he invites readers to navigate their own currents with courage and introspection *Against the Current* Boris Ragula, 2005-10-14 *Against the Current* offers a personal account of the plight of European refugees and the importance of immigrants to Canada's post war growth Ragula's insights into the complicated nature of identity in central Europe shows how ordinary people negotiate the complex often contradictory claims of national ethnic religious and geographic loyalties His memoir provides a personal perspective on some of the major events of the twentieth century *Against the Current!* Wilhelm von Kardorff, Helga Zepp-LaRouche, Anton Chaitkin, Michael Carr, A currently popular philosophy is summed up in the phrase Don't worry just go with the flow This book was written by a leading member of the German Reichstag parliament Wilhelm von Kardorff who discovered that the flow both of his own personal assumptions and of the universally taught doctrines of German economic philosophy and government policy were dead wrong and leading towards a waterfall of complete destruction and impoverishment of his nation With this book he launched a successful campaign to redirect the flow or current with the introduction of American System economic policies into Germany This book originally entitled *Gegen den Strom Eine Kritik der Handelspolitik des Deutschen Reichs an der Hand Carey'schen forshungen* was first published in Berlin in 1875 By May of 1879 von Kardorff's campaign resulted in German Chancellor Bismarck's adoption of a new economic program which he announced in a presentation before the Reichstag To a large degree Bismarck based his new program on this book and von Kardorff's accompanying educational

political exertions The flow or current was redirected along the lines of the Henry C Carey Abraham Lincoln American System policies and Germany became one of the leading scientific agricultural industrial nations of the world By pointing out errors of judgment and axiomatic assumption this book made history as it shall do now again In both science and politics progress is impossible without a willingness to reexamine assumptions and axioms A bright future awaits us if we but put aside our conceits We must go Against the Current      **Code of Federal Regulations** ,1995 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries      *The Code of Federal Regulations of the United States of America* ,1973 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government      *A Dictionary of Confusable Phrases* Yuri Dolgoplov,2016-02-01 Covering over 10 000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings this dictionary presents a unique cross section of the English language Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases the book can also be used as a regular phraseological dictionary providing definitions to individual idioms cliches and set expressions Most phrases included in the dictionary are in active current use making information about their meanings and usage essential to language learners at all levels of proficiency      **Tugboats of New York** George Matteson,2007-10 Rich with first person anecdotes of life on the New York waterways and 150 black and white photographs this volume will fascinate readers interested in New York history boating and maritime history      **Code of Federal Regulations, Title 33, Navigation and Navigable Waters, Pt. 125-199, Revised as of July 1 2009** ,2009-10-27      **United States Coast Pilot** ,1968      *Journal of Electricity* ,1919

**Fingerpainting in Psych Class** Jay Morgan M. S.,Jay Morgan,2010 Working with kids is challenging in the best of situations Fingerpainting in Psych Class is a resource for parents teachers therapists and other adults who want to better meet this challenge and more effectively work with children of all ages This book will help you Better understand children and teenagers Confidently work with children on a wide range of emotional and behavioral issues Stop reacting to negative behavior and be more of a positive influence Better understand some important psychological and spiritual principles critical to every child s healthy development Develop the ability to use intuition and creativity in your work with children My kids were driving me crazy Now we re all working together again A whimsical name for a seriously good book Fingerpainting is a lot more than another How to book How would you like to take some of the pressure out of parenting Do you want to know how to really help kids and have fun with them at the same time If parenting or managing children has been perplexing frustrating or tedious for you why not shake things up a bit Put that old parent by number book away and try fingerpainting in psych class      **Why Current Affairs Needs Social Theory** Rob Stones,2015-02-26 Television news is frequently disparaged by thoughtful commentators for its preoccupation with drama and spectacle at the expense of serious in depth engagement

with the critical issues it covers Whilst insisting these charges possess more than a small dose of truth Rob Stones argues for more emphasis to be placed on strengthening the capacities of audiences Drawing from major traditions in social thought and on academic media analysis Stones provides the conceptual tools for audiences to bring greater sophistication to their interpretations developing their capacity to think across items and genres A detailed account of an episode of the Danish political drama Borgen reveals the extent to which its viewers already deploy similar concepts and skills in order to follow its storylines Stones shows how audiences can refine these skills further and demonstrates their value with respect to a wide range of current affairs texts including Israeli settlers on the West Bank the Rwandan genocide the Egyptian revolution the Obama administration s immigration reform bill the bases of Germany s economic success the conflict between red shirts and yellow shirts in Thailand China s diplomatic relations with Burma and scandals of mistreatment within the UK and Swedish healthcare systems The book shows that everyone s understanding of current affairs can be significantly enhanced by social theory It will be relevant to students of sociology politics media studies and journalism at all levels
