Tournament Poker, Volume 2 Jonathan Little, Jonathan Little is a highly successful poker professional who has won over 4 million in tournament play His first book *Secrets of Professional Tournament Poker Volume 1* dealt with the fundamentals of play In this second book he builds on this base by examining the highly complex issue of how to handle the different stages of a tournament As well as outlining a technically accurate style of play Jonathan also discusses a number of other topics that are crucial to success at poker These include How to spot tells and avoid giving them Correct etiquette Practical tips for tournament play Managing life as a professional poker player throws up a number of issues in itself and Jonathan calls upon his many years as a pro to address these They include Developing your poker skills Mental physical approaches required for successful play As well as being one of the world's best players Jonathan has been a highly respected coach for many years In the final section of the book he draws on his experience here to answer the most common FAQ's asked by students and also offers an in depth analysis of 30 hands from tournament play which outline many of the concepts discussed in the book In his professional career he has won the WPT twice In 2010 he cashed 5 times in the WSOP including a third place finish

University Ethics James F. Keenan, 2015-05-14 Stories about ethical issues at universities make headlines every day From sexual violence to racial conflict from the treatment of adjuncts to cheating students professors and administrators face countless ethical trials And yet very few resources exist to assist universities in developing an ethical culture *University Ethics* addresses this challenge Each chapter studies a facet of university life including athletics gender faculty accountability and more highlights the ethical hotspots explains why they occur and proposes best practices Professional ethics are a key component of training for numerous other fields such as business management medicine law and journalism but there is no prescribed course of study for the academy Professors and administrators are not trained in standards for evaluating papers colleagues boundaries or contracts *University Ethics* not only examines the ethical problems that colleges face one by one but proposes creating an integrated culture of ethics university wide that fosters the institution's mission and community In an environment plagued by university scandals *University Ethics* is essential reading for anyone connected to higher education today

Coming to Grips with Higher Education Michael T. Nietzel, 2018-10-01 The American university faces many challenges It has become too costly and inefficient It fails too many students It spends too much time and money on matters that should not be its priorities It clings to policies and practices that need to go away And it is too disconnected from the students and communities it must serve This book proposes several changes to standard policies in our colleges and universities that will sharpen their missions redirect funding to the highest priorities improve student learning and attainment redefine faculty engagement slow down spending on amenities and reduce the excesses of intercollegiate athletics The recommended reforms remain true to the essential academic values embraced by the academy but at the same

time they recognize and respond to the new realities facing higher education **The Christian College (RenewedMinds)** William C. Ringenberg,2006-04-01 When it first appeared in 1984 The Christian College was the first modern comprehensive history of Protestant higher education in America Now this second edition updates the history featuring a new chapter on the developments of the past two decades a major introduction by Mark Noll a new preface and epilogue and a series of instructive appendixes **Glossary of Purchasing and Supply Chain Management** Bhardwaj,2007 **Liberty & Learning** Robert C. Enlow,Lenore T. Ealy,2009-09-25 Fifty years ago Milton Friedman had the ground breaking idea to improve public education with school vouchers By separating government financing of education from government administration of schools Friedman argued parents at all income levels would have the freedom to choose the schools their children attend Liberty Learning is a collection of essays from the nation s top education experts evaluating the progress of Friedman s innovative idea and reflecting on its merits in the 21st century The book also contains a special prologue and epilogue by Milton Friedman himself The contributors to this volume take a variety of approaches to Friedman s voucher idea All of them assess the merit of Friedman s plan through an energetic contemporary perspective though some authors take a theoretical position while others employ a very pragmatic approach *Ghost Unit 2 Redemption* E L Hewitt,2017-04-17 A new terrorist organization is growing rapidly in the Middle East A sleeper cell agent has been implanted in the U S Military with order to set off a nuclear bomb at the annual Air Show in Ramstein Germany Sam Shepard ex Navy Seals recruited by the CIA to head up an off the books Terrorist Unit known as GU2 Sam is betrayed by his team members and must race the clock to prevent a terrorist attack while fighting his own demons from within Ghost Sam s alter ego is a stone cold killer who emerges from Sam s subconscious any time danger presents itself and kills without mercy eliminating any potential targets in his way With each new mission Sam goes on and danger presents itself its Ghost who emerges and continually pushes Sam to become the man he is destined to become doing whatever it takes to get the job done *Beating the College Debt Trap* Alex Chediak,2015 Beating the College Debt Trap presents students with a better way to do college The radically counter cultural truth is that students don t have to be totally dependent on Mom Dad or Uncle Sam to get the most out of college Graduation on a solid financial foundation is possible But it will require intentionality creativity hard work and a willingness to delay gratification Chediak gets into the nitty gritty of how to pay less for college get meaningful workduring college while setting yourself up for success after college pay off any loans quickly spend less save more and stay out of debt for good He also unpacks how to transition from college into career honor God while achieving financial independence and use your finances to make a positive eternally significant difference in the lives of others As a young engineering professor with an aptitude for finances and money management Chediak has become particularly concerned with the financial health of students especially in light of the ever increasing costs of college In Beating the College Debt Trap he helps do something about this problem He engages in a friendly manner the real world financial issues that 17 25 year olds face with clarity practical help lots of
