Gravitobiology A New Biophysics:

Gravitobiology T. E. Bearden, 1991 Gravitobiology Thomas E. Bearden, 2003-03 Energy Medicine Technologies Finley Eversole, 2013-05-20

New and suppressed breakthroughs in energy medicine ways to combat toxins and electromagnetic fields and the importance of non GMO foods Explores the use of microcrystals ozone and hydrogen peroxide therapy and how to tap in to healing antioxidant electrons from the Earth Reveals the scientifically proven health risks of genetically modified foods Examines the suppressed cancer curing electromedicine of Royal Raymond Rife and Nobel laureate Albert Szent Gy rgi Natural nontoxic inexpensive and effective alternatives to conventional medicine exist yet they have been suppressed by the profit driven medical pharmaceutical complex Presenting a compendium of some of the most revolutionary yet still widely unknown discoveries in health and energy medicine this book edited by Finley Eversole Ph D explores the use of microcrystals to harmonize the energies of body mind and environment the healing effects of ozone and hydrogen peroxide therapy ways to combat electromagnetic fields and environmental toxins sources of disruptive energy that cause stress and health problems including other people s negative emotions and how to tap in to healing antioxidant electrons from the Earth The book reveals the scientifically proven health risks of genetically modified foods the first irreversible technology in human history with still unknown consequences It looks at the link between industrial farming and the precipitous rise in heart disease cancer diabetes and Alzheimer s over the past 100 years providing a 10 point Low Toxin Program to reduce your risk It explores the cancer curing electromedicine of Royal Raymond Rife and its suppression by the medical establishment as well as Nobel laureate Albert Szent Gy rgi s follow up discovery of Frequency Therapy Offering a window into the holistic future of medicine the book shows the body not simply as a biological machine to be patched and repaired but as a living organism made up of cells dynamically linked to their inner and outer environments *Chemtrails, HAARP, and the Full Spectrum Dominance of Planet Earth* Elana Freeland, 2014-05-26 We are entering a Space Age but not the kind President Kennedy originally envisioned This Space Age is replacing resource wars and redefines planet earth as a battlespace in accordance with the military doctrine of Full Spectrum Dominance This book examines how chemtrails and ionospheric heaters like the High frequency Active Auroral Research Project HAARP in Alaska services a full spectrum dominance This Revolution in Military Affairs needs an atmospheric medium to assure wireless access to the bodies and brains of anyone on Earth from heat seeking missiles to a form of mind control How sinister are these technologies Are we being prepared for a global village lockdown The recent release of NSA records have reminded Americans that eyes in the sky are tracking us as supercomputers record the phone calls e mails internet posts and even the brain frequencies of millions Elana M Freeland s startling book sifts through the confusion surrounding chemtrails versus contrails and how extreme weather is being geo engineered to enrich disaster capitalists and intimidate nations A deconstruction of Bernard J Eastlund s HAARP patent points to other covert agendas such as a global Smart Grid infrastructure that enables access to

every body and brain on Earth a Transhumanist future that erases lines between human and machine and Nanobiological hybrids armed with microprocessors that infest and harm human bodies

Introduction to Paradigms Manfred Stansfield, 2001 Introduction to Paradigms is a generic look at the things that help to clear up the crippling reality paradigm confusion which we all are susceptible to just in growing up It demonstrates that A paradigm is a model of a portion of reality with fewer dimensions and a manageable size mass and energy Paradigms are necessary because they are the solution to the problem of having insufficient human RAM and CPU to be omniscient and deal with reality on a direct perception knowing basis The human solution is to create paradigms that do fit our RAM and CPU so we can change the undesirable elements of existence into desirable ones Unfortunately paradigms can be more true or less true by accident or design and that is where the rub is Less true paradigms come about in two ways Through the incompetence of well meaning paradigm designers or By the deliberate introduction of bias into a paradigm to give inequitable power and money to some who have not earned it The bias is in the form of a lie in a paradigm or the miss definition of a word More money is made today by theft through paradigm bias than by the honest creation of wealth It is not a victimless crime The individual members of society as well as the society as a whole lose in wealth a lowered pursuit of happiness and a lowered survival potential Paradigm bias is a societal parasite and too many parasites kill the host Purveyors of paradigm bias are the same as confidence men One trick they use is to convince you that what they are telling you is reality when it is a paradigm Reality one tends to accept as true while one questions what is known to be a paradigm How do you tell the difference and what if you don't Example My telling you about a tree gives you my paradigm of a tree which can be more true or less true On the other hand the only way you get the reality of a tree is by seeing it for yourself climbing it feeling the trunk bark and leaves eating the fruit chewing on a leaf twig bark smelling the blossoms cones leaves bark and roots listening to the wind pass through the branches and leaves standing under the tree when the sun is too hot or when it is raining Example The 9 11 suicide pilots believed that what they had been told since early childhood was reality That they would go to a paradise which was a much nicer place than this world and that they would live forever with seven virgins and seven wives if they died committing a mass murder as they were told They did what they were told because they did not know the difference between paradigm and reality Reality is what you experience yourself Paradigms are anything you received through a communication paradigm such as what some one told you or you read We are all handicapped to the extent we are victims of the paradigm reality confusion and prone to be taken advantage of through paradigm bias More true paradigms require a paradigm designer well acquainted with reality Is science the answer Unfortunately the scientific method applies only to explicate order phenomena that can be repeated and verified by the lowest common denominator of scientist Science is still in denial of implicate order phenomena known for many centuries Only a small fraction of the paradigms we need to function on a personal and societal level can be scientifically demonstrated Peer review is another shortcoming and abuse The scientific method assumes that those doing

the peer review are selfless high minded scientists experts in the same domain who judge according to their knowledge in the pursuit of truth for the good of mankind Actually many peers are egocentric and lie to ensure their careers Example Tobacco scientists disagree with conclusive studies linking smoki Essence of Sunyoga Sunyogi Umasankar,2020-10-07 The technique of looking with open eyes towards the sun as a form of meditation has long been a mystery kept in secret so the strong energies we can harness would not be abused For a long time there have been rumors and eyewitness accounts of many high saints and initiates living in seclusion in remote places such as the Himalayas who have practiced some form of Sun Meditation Great men like Socrates Ramakrishna and Jesus are all believed to have benefited from this practice We have now crossed a point where the common man is also trusted with this powerful technique Essence of Sunyoga is a manual dedicated to all humans Sunyoga is much more than just looking towards the Sun as it encompasses the entire Vedic knowledge This manual shows us the path how we can use all the balancing elements of Creation to quickly and safely prepare ourselves from the very bottom of our awareness all the way up to the highest level of Enlightenment We will acquire superhuman strength to face any life difficulty without suffering gaining the ability to live without food and water and become untouchable from our darkest enemies This invaluable treatise on Sunyoga is a huge contribution to humanity D R Kaarthikeyan Former Director of Central Bureau of Investigation Former Director General of National Human Rights Commission Director General of Central Reserve Police Force and Champion of Human Rights Values and Responsibilities New Delhi India Through Sunyoga the photos directly interact with the physical body like a two way bio internet establishing direct communication with the Body Universe system taking the seeker to a higher realm of realization Dr Vikas Kumar Distinguished Scientist and Ex Director DRDO Ministry of Defence Hyderabas India **The Physics of Miracles** Richard Bartlett,Melissa Joy Jonsson,2009-10-13 Includes a preview of Richard Bartlett s bestselling Matrix Energetics The Physics of Miracles will change your perceptions about what is possible with real practical applications for healing and transformation As a follow up to his popular first book Matrix Energetics Dr Richard Bartlett presents The Physics of Miracles Building on the success of his dynamic and popular seminars Dr Bartlett shares new concepts on the cutting edge of healing and transformation The strength of Bartlett s energetic healing work and why he s already becoming one of the most well respected teachers in modern energy medicine is that you don t have to understand the actual science to put it to use The Physics of Miracles utilizes advanced scientific concepts while remaining accessible to everyone from children to medical professionals Discussing seemingly implausible topics such as time travel alternate universes and invisibility this book is fascinating and instantly applicable The Physics of Miracles will reshape the way people think about their place in the universe and their capacity for health and healing **2012 A Family Brief** Robert L. Horton,2009-10-31 This book is based off of years of research starting with Zecharia Sitchin s indisputable documentary evidence of Earth s origins and man s celestial ancestors Continuing on into man s current interaction with those who from heaven to Earth came 2012 A Family

Brief brings the last 8 years of the Congressional ET related Disclosure Project into full view of the public arena It covers the joint government ET involvement to create huge underground bases and facilities built to protect man kind from possible upcoming global catastrophes that have been seen to occur in the year of or around 2012 It also contains personal accounts of the Black Budget Operation Operators who have come forward as Whistle Blowers to give their amazing testimony to congress as part of the 2001 Disclosure Project led by Dr Stephen Greer All written and recorded Whistle Blower testimony with in this briefing has been sourced courtesy of Project Camelot at [www projectcamelot org](http://www.projectcamelot.org) Ran and diligently operated by Bill Ryan and Kerry Cassidy This book also contains part one of The NEXUS REPORT that was written by an individual under the pseudonym of Astralwalker where it originated as a thread at [www projectavalon org](http://www.projectavalon.org) also ran and operated by Bill Ryan and Kerry Cassidy of Project Camelot **Innovative Environmental Technologies** United States. Congress. Senate. Committee on Environment and Public Works,2003 *Proceedings of the International Symposium on New Energy* ,1994
