

The Great Debaters Question Guide

Scene # 1-My Soul Is a Witness

Listen to and discuss the opening prayer and speech by Dr. Farmer. Explain the significance of the powerful words which are spoken in the background as the viewer watches several different scenes:

- Samantha Booze takes the bus to school and is watching her impoverished community in the window as she passes
- Melvin Tolson dressed as farmer walking into the night
- Henry Lowe in bar about to get in a fight

"When I was a child I spoke as a child, I understood as a child, I thought as a child but when I became a man, I put away all childish things. Freshman class...I believe we are the most privileged people in America, because we have the most important job in America, the education of our young people...We must impress upon our young people that there will difficulties that they will face, they must defeat them, they must do what they have to do in order to do what they want to do. Education is the only way out, the way out of ignorance, the way out of darkness, into the glorious light."

Dr. James Farmer

1. What does Dr. Farmer mean when he said "When I was a child I spoke as a child...but when I became a man I put away all childish things"?
2. Is it the school's role to help youth to develop into adults? Why or Why not?
3. Where do most of our young people learn the lessons they need to become adults today?
4. What do you think Samantha Booze is thinking as she looks out the window at her impoverished community?
5. What does Dr. Farmer mean when he says "they must do what they have to do in order to do what they want to do"? How can you apply this to your own life?
6. What would have happened if Henry Lowe had actually stabbed the women's husband in the fight in the bar?
7. Is education still the "way out of darkness and into the glorious light" for the African American community? If so, how?
