"Great Expectations" Summary

"Great Expectations" is one of the last novels written by Charles Dickens in 1861. It is also one of his most popular creations and has been frequently staged in theatres and on movie screens. The text was written in Dickens' "mature" years when the author critiqued the dishonest and lavish life many gentlemen of those times had led. The story has a gripping plot, but it's rather grey, sad, and doesn't end happily for most of its characters.

Dickens has incorporated a lot of his own experiences and sorrows into the "Great Expectations" book. Initially, the writer wanted to end the novel in a tragic way, however, Dickens had always been wary of sad endings—his audience appreciated the happy endings much more than the philosophical misfortunes. That's why he didn't dare to end the story on a sad note, even though the whole plot was heading towards a calamity.

"Great Expectations" is a complex literature piece and if you are challenged to read it, but still need that essay, read further for plot overview and themes or simply use our essay writer service.

"Great Expectations" is a story about the life of a simple little boy, who lives through a poor childhood and into a rich adulthood, learning many lessons throughout this process. The book begins with the protagonist introducing himself:

> **Chapter I** *"My father's family name being Pirrip, and my Christian name Philip, my infant tongue could make of both names nothing longer or more explicit than Pip. So, I called myself Pip, and came to be called Pip"*.

Pip is an honest and simple man, but he doesn't find a place for himself in society. Even money and the rich gentleman's life didn't make him happy. Towards the end of the book, Pip will realize that his expectations and desires misled him and ruined his life: he loved a woman (Estella) who couldn't return his feelings, and he was grateful to another woman (Miss Havisham) for becoming wealthy when in fact Miss Havisham did nothing for Pip and only encouraged Estella to hurt him even more. But for now, it is all in the distant future as the story is about to unfold.
