The Age of Beloveds Walter G. Andrews, Mehmet Kalpakli, 2005-01-13 Examines the golden age of the culture of the Ottoman empire in the 16th century exploring sexuality gender and literary society as well as the demographics economics politics society of love and other cultural productions of the Ottoman

Collecting the Self Sing-chen Lydia Chiang, 2021-12-28 Chinese strange tale collections contain short stories about ghosts and animal spirits supra human heroes and freaks exotic lands and haunted homes earthquake and floods and other perceived anomalies to accepted cosmic and social norms As such this body of literature is a rich repository of Chinese myths folklore and unofficial histories These collections also reflect Chinese attitudes towards normalcy and strangeness perceptions of civilization and barbarism and fantasies about self and other Inspired in part by Freud s theory of the uncanny this book explores the emotive subtexts of late imperial strange tale collections to consider what these stories tell us about suppressed cultural anxieties the construction of gender and authorial self identity

Infernal Poetics John Howard, 1984 This critical examination demonstrates how William Blake s techniques of symbolic juxtaposition work in both language and illustration of convey his poetic meaning Tracing the development of the poet s technique from the earlier to the later works the author places the often obscure Lambeth Prophecies in their stylistic context and renders them highly accessible

The Iconography of Power David LaGuardia, 1999 Despite its enormous success and its evident importance in the context of sixteenth century French literature few major studies have been written about the French nouvelle of the age of Rabelais aside from the explosion of articles and books on the Heptameron during the last decade This study defends the thesis that various nouvelle collections employ an iconographic mode of representation developing characters by means of external details that situate them on grids of hierarchical power relations Author David LaGuardia concentrates on the philosophical implications of the nouvelle as a means of cataloging a large body of information about everyday life across a wide social spectrum in France in the fifteenth and sixteenth centuries

Worldmaking Spenser Patrick Cheney, Lauren Silberman, 2021-10-21 Worldmaking Spenser reexamines the role of Spenser s work in English history and highlights the richness and complexity of his understanding of place The volume centers on the idea that complex and allusive literary works such as The Faerie Queene must be read in the

context of the cultural literary political economic and ideological forces at play in the highly allegorical poem The authors define Spenser as the maker of poetic worlds of the Elizabethan world and of the modern world The essays look at Spenser from three distinct vantage points The contributors explore his literary origins in classical medieval and Renaissance continental writings and his influences on sixteenth century culture Spenser also had a great impact on later literary figures including Lady Mary Wroth and Aemilia Lanyer two of the seventeenth century s most important writers The authors address the full range of Spenser s work both long and short poetry as well as prose The essays unequivocally demonstrate that Spenser occupies a substantial place in a seminal era in English history and European culture Minor Creatures Ivan Kreilkamp,2018-11-07 In the nineteenth century richly drawn social fiction became one of England s major cultural exports At the same time a surprising companion came to stand alongside the novel as a key embodiment of British identity the domesticated pet In works by authors from the Bront s to Eliot from Dickens to Hardy animals appeared as markers of domestic coziness and familial kindness Yet for all their supposed significance the animals in nineteenth century fiction were never granted the same fullness of character or consciousness as their human masters they remain secondary figures Minor Creatures re examines a slew of literary classics to show how Victorian notions of domesticity sympathy and individuality were shaped in response to the burgeoning pet class The presence of beloved animals in the home led to a number of welfare minded political movements inspired in part by the Darwinian thought that began to sprout at the time Nineteenth century animals may not have been the heroes of their own lives but as Kreilkamp shows the history of domestic pets deeply influenced the history of the English novel **Robert A. Dahl** David Baldwin,Mark Haugaard,2017-10-02 This book is devoted to the work of Robert A Dahl who passed away in 2014 Dahl was one of the most important American political scientists and normative democratic theorists of the post war era and he was also an influential teacher who mentored some of the most significant academics of the next two generations of American political science As an incredibly productive scholar he had a career that spanned more than half a century his first book was published in 1950 his last was in 2007 at the age of 92 As a political scientist he was respected even by those who were critical of his works This theoretical significance and profound influence is reflected in the collection of chapters in this volume which reads like a who s who of the contemporary US political science scene His co author Bruce Stinebrickner documents the evolution of his and Dahl s seminal text *Modern Political Analysis* and how it became the standard introduction to American political science for nearly fifty years Katharine MacKinnon s chapter is of significance for its insights upon Dahl and also represents a succinct statement of a feminist reading and critique of contemporary political science Steven Lukes contributes a highly concise statement of the difference between one dimensional and three dimensional power This work will be a standard reference work for any researchers or those interested in the work of Robert Dahl among both established academics and students This book was originally published as a special issue of the *Journal of Political Power* **Women and Power in Argentina**

Literature Gwendolyn Díaz, 2010-01-01 The astonishing talent of Argentine women writers belies the struggles they have faced not merely as overlooked authors but as women of conviction facing oppression The patriarchal pressures of the Per n years the terror of the Dirty War and more recently the economic collapse that gripped the nation in 2001 created such repressive conditions that some writers such as Luisa Valenzuela left the country for long periods Not surprisingly power has become an inescapable theme in Argentine women s fiction and this collection shows how the dynamics of power capture not only the political world but also the personal one Whether their characters are politicians and peasants torturers and victims parents and children or lovers male and female each writer explores the effects of power as it is exercised by or against women The fifteen writers chosen for *Women and Power in Argentine Literature* include famous names such as Valenzuela as well as authors anthologized for the first time most notably Mar a Kodama widow of Jorge Luis Borges Each chapter begins with a verbal portrait editor Gwendolyn D az s personal impression of the author at ease formed through hours of conversation and interviews A biographical essay and critical commentary follow with emphasis on the work included in this anthology D az s interviews translated from Spanish and finally the stories themselves only three of which have been previously published in English complete the chapters The extraordinary depth of these chapters reflects the nuanced often controversial portrayals of power observed by Argentine women writers Inspiring as well as insightful *Women and Power in Argentine Literature* is ultimately about women who in D az s words choose to speak their truth regardless of the consequences

True tales of the Irish Peasantry, as related by themselves; selected from the Report of the Poor-Law Commissioners, by Mrs. Johnstone. Second edition Christian Isobel JOHNSTONE, 1836 [His New Position: Femdom Fantasies](#) Book Five Andrea Martin, 2023-10-20 Paul Clayton is a hotshot businessman who takes what he wants from anyone he likes especially his three sexy female underlings He s used to wielding power but when he gets passed over for promotion in favor of the stern and commanding Rebecca Stone it sets the stage for a confrontation of wills Paul s old position might be redundant but surely Rebecca can find some use for a man like him *Femdom Fantasies* is a series of explicit erotic tales not suitable for readers under eighteen years of age This story was co authored by British erotic writer Paige M Turner

[Gender and the Male Character in 21st Century Fairy Tale Narratives](#) Natalie Le Clue, 2024-09-16 Putting Prince Charming in the academic spotlight this collection examines the evolution of male fairy tale characters across modern series and films to bridge a gap that afflicts multiple disciplines **The Afterloch** Spinnaker Weddington, 2013-12-10 The *Afterloch* is the second narrative collection of the *Unleash The Loch* series Primarily mental philosophy it establishes a narrative which exists mostly in the minds of those who are stuck in situations without knowing what has happened Cursed or blessed with unconsciousness and a lack of being able to immediately remember and reflect upon where they have been and what has happened to them very little communication and incidence ensues and they all end up somewhat trapped in the philosophical mentalities they are snagged into by being void of any connection to any true fictional reality If no thing much

is happening all they can really do is think and think they do but much of their inner lives is philosophy religion and social judicial histrionicism Essentially nothing is really happening in terms of conversation and incidence But what unravels is how even when seemingly nothing is happening so much can be happening inside peoples minds Moreover something is happening in terms of their contexts More a concourse of philosophy and thinking than any true narrative entertainment what unravels stands in difference to the consistent fictional element of the earlier book and predicates a somewhat sinister expos on the problems of living a life in the mind At bottom if fiction is not happening philosophy is And if such is in somewhat uncomfortable situations fanaticism is bred

Pedagogy and Practice Patricia Murphy, Kathy Hall, Janet Soler, 2012-06-21 This book foregrounds pedagogy in a way that challenges readers to reflect on themselves as teachers and learners and to be reflexive about their own practices and contexts Learning involves a transformation of identity which occurs through negotiation and repositioning through new ways of relating and through different ways of participating in practices This book examines the meaning and implications for pedagogy in educational and workplace settings and the role of the teacher in this sociocultural view of learning By illustrating the mediated nature of agency and identity the chapters re conceptualise the teacher and the learner and show different ways of supporting learning and being a teacher The settings represented range from nursery to university and from out of school to insitutionally based and work place situations Curricular aspects represented include popular culture critical literacy multimodality the arts and new technologies Teachers and student teachers as learners are also represented in the accounts assembled The book takes a sociocultural view of learning and considers the pedagogical implications of this view It explores different meanings of pedagogy and considers notions of cultural bridging and the processess of transforming identities The contributions challenge ways of thinking about practice both teaching and assessment and argue for practices that bridge between learners worlds their communities and educational institutions Drawing on the international literature this book will be essential reading for students of curriculum learning and assessment in all sectors from pre primary to further and higher education It is suitable as a core text for masters and taught doctorate programmes It will also be of interest to a wide range of professionals involved with curriculum learning and the practice of teaching and assessment This book is relevant to those in work based and professional education and training and in informal educational settings as well as traditional educational institutions at all levels A unique collection in a field that is underrepresented it will also be of interest to an academic audience

Race, Social Science and the Crisis of Manhood, 1890-1970 Malinda A. Lindquist, 2012 Black Social Science and the Crisis of Manhood 1890 1970 describes the young black male crisis why we are largely unfamiliar with the story of the black superman and why this matters to contemporary debates It does so by returning to the work of those original black social scientists to explore the ways in which they understood the challenges of black manhood offered substantive critiques of the nation s race class and gender systems and worked to construct a progression The careful study of their work reveals the centrality of gender to discussions of race and class and also new possibilities for understanding and discussing black men This book offers a look at pioneering black social scientists as well as a history of the changing perceptions ideals and shifting depictions of black and white manhood over nearly a century

Narrative Unbound Donald D. Ault, 1987 Narrative Unbound is the first full scale interpretation of the verbal text of Blake s most complex long poetic prophecy The Four Zoas Never engraved or published in the poet artist s lifetime the poem remains in a single manuscript apparently unfinished and heavily revised and yet is widely celebrated as one of Blake s most powerful narrative works Ault challenges the view that the poem is intrinsically incomplete and flawed arguing instead that the famous difficulties of the text are aspects of Blake s transformative narrative strategies By respecting the integrity of Blake s work taking every written mark on the page as potentially functional Ault shows how the intricate interweaving of narrative patterns and interruptions are instrumental to conscious reading The poetic intent is nothing less than a complete renovation of the reading experience the potential of which is the realization of what Blake has called Four fold vision Ault s approach serves as a guide both to reading The Four Zoas and to participating in a radical poetic method
