His Names Are Wonderful Getting To Know God Through His Hebrew Names:

His Names Are Wonderful Elizabeth Vander Meulen, Barbara Malden, 2024-06-10 What's in a name In the Western world names are often chosen because they're cute or because parents hope their children might aspire to be like a namesake perhaps even a Bible figure Yet names in the Bible were often chosen to communicate something about a person especially God's names In Exodus 3:13-22 Moses asks God what his name is Was he merely asking what he should call God No he was asking Who are you Describe yourself And God did just that offering Moses a wonderful description not just of his name but of his nature In Hebrew thought a name did more than identify a person it revealed their identity God's identity is expressed not in one name but in many This book uncovers the treasures in God's names grouping 140 names into eight sections Almighty Father Redeemer Shepherd Spirit Truth Defender Faithful Each artfully designed page includes the English name the Hebrew name an English transliteration inspiring devotional thoughts relevant Scripture passages from the Complete Jewish Bible Includes an introduction by Daniel Juster Th.D. executive director of Tikkun International *Sacred Places* C.J. Scott, 2017-03-16 *Sacred Places* is a book that looks at the biblical theology of place exploring its central importance in God's creation and mission It takes its readers on an expository journey through place from the Garden of Eden to the New Jerusalem discovering the pattern of placement displacement and replacement in life and faith If you are a Christian seeking to understand the Bible's teaching on place and how that affects both our faith and lives in the world then this book is for you It will open your eyes to the central importance of place and give you direction on how you can apply a healthy understanding of place to your life as a disciple of Jesus Christ making you a better place maker and dweller The thesis of this book is that place is far more important than we ever could have imagined I am specifically proposing that 1 places are sacred because of God's decree and personal presence 2 place plays a major role in God's creative and redemptive purposes and 3 God's people are called to be both place makers and dwellers Check out the official website of Author and Teacher C.J.
