His Spartan Master Iii Saved:

Annual Report of the United States Life-Saving Service United States. Life-Saving Service,1904 **The End of Sparta** Victor Davis Hanson,2011-10-18 In this sweeping and deeply imagined historical novel acclaimed classicist Victor Davis Hanson re creates the battles of one of the greatest generals of ancient Greece Epaminondas At the Battle of Leuktra his Thebans crushed the fearsome army of Sparta that had enslaved its neighbors for two centuries We follow these epic historical events through the eyes of M lon a farmer who has left his fields to serve with Epaminondas swept up against his better judgment in the fever to spread democracy even as he yearns to return to his pastoral hillside With a scholar s depth of knowledge and a novelist s vivid imagination Hanson re creates the ancient world down to its intimate details from the weight of a spear in a soldier s hand to the peculiar camaraderie of a slave and master who go into battle side by side The End of Sparta is a stirring drama and a rich absorbing reading experience Praise for Victor Davis Hanson I have never read another book that explains so well the truth that war lies in the dark hearts of us all but that history offers hope William Shawcross on The Father of Us All Few writers cover both current events and history and none with the brilliance and erudition of Victor Davis Hanson Max Boot on The Father of Us All Enthralling Christopher Hitchens on The Western Way of War **Saving Democracy** Kevin O'Leary,2006 Saving Democracy presents a bold yet practical plan for reinventing American democracy for the twenty first century The book diagnoses contemporary political ills as symptoms of corruption in our large republic and develops a new understanding of representative democracy Building on the ideas of James Madison and Thomas Jefferson Saving Democracy shows how it is possible to combine the traditional town hall and the Internet to fashion a new theory of representative government that empowers citizens and bridges the enormous gap that now exists between the political elite and the average voter Under the author s plan in each of the nation s 435 congressional districts a local assembly of 100 citizens selected by lot would meet to discuss the major domestic and international issues The role of this assembly would be deliberative and advisory and its views would constitute a second more sophisticated and informed measure of public opinion than traditional public opinion polls The next step would be the establishment of the People s House which would hold actual legislative power *Annual Report of the Operations of the United States Life-Saving Service for the Fiscal Year Ending ...* United States.
