African Section, 1973 Le miroir et le crâne. Parcours initiatique du Bwete Misoko (Gabon). Julien Bonhomme, 2015-02-21 La scène se passe au cours d'une nuit gabonaise Au corps de garde un homme est assis devant un miroir qu'il scrute les yeux fixes Il prend la parole et raconte des scènes étranges apparitions fantastiques ou sombres histoires de famille Il les raconte d'autres hommes qui l'écoutent avec attention massés autour de lui Il s'agit d'une initiation au Bwete Misoko rituel masculin originaire des Mitsogo du Gabon central mais aujourd'hui répandu dans la majorité du pays Le livre retrace le parcours initiatique complexe depuis les rites de passage centrés autour de l'absorption de la plante hallucinogène eboga des fins visionnaires et thérapeutiques jusqu'à la dernière étape rituelle au terme de laquelle l'initié pourra son tour initier des novices et exercer le métier de devin guérisseur partant d'une approche pragmatiste centrée sur la logique interactionnelle du rituel l'auteur montre comment le Bwete Misoko permet de mettre en scène l'ordre des relations sociales en les rejouant dans le miroir initiatique L'initiation instaure en effet un autre type de rapport soi et autrui par le biais d'une série de pièges qui opèrent une recomposition de la relation aux sorciers aux femmes et aux ancêtres En déplaçant ainsi le regard des structures symboliques vers les dynamiques d'interaction ce livre invite un renouvellement théorique de l'anthropologie du rituel le rituel est moins une affaire de croyance et de symboles que de contextes et de relations et son efficacité propre repose moins sur la métaphore que sur l'ironie **Histoire mondiale de la France (nouvelle édition)**

Collectif, 2025-10-10T00:00:00+02:00 Ce ne serait pas trop de l'histoire du monde pour expliquer la France Jules Michelet Introduction l'histoire universelle 1831 Voici une histoire de France de toute la France en très longue durée qui mène de la préhistoire aux événements de 2024 sans ambition d'exhaustivité Une histoire qui ne s'embarrasse pas plus de la question des

origines que de celle de l'identité mais prend au large le destin d'un pays qui n'existe pas séparément du monde même s'il prétend parfois l'incarner tout entier Une histoire qui n'abandonne pas pour autant la chronologie ni le plaisir du récit puisque c'est par dates qu'elle s'organise et que chaque date tant t classique tant t d'actualité est traitée comme une petite intrigue R conciliant dialogue critique et narration entraîne l'ouvrage réunit un collectif d'historiennes et d'historiens tous attachés à rendre accessible un discours engagé et savant Son enjeu est clair il s'agit de prendre la mesure d'une histoire mondiale de la France c'est-à-dire de raconter la même histoire nul contre-récit ici qui revisite tous les lieux de mémoire du récit national mais pour la dépasser la dépasser et l'élargir Parce que l'histoire s'écrit toujours depuis le présent l'ouvrage est ici actualisé mis jour par ses autrices et auteurs et augmenté d'une trentaine de textes inédits Dans ses différentes versions il s'est vendu 180 000 exemplaires un succès sans équivalent pour un ouvrage collectif Il a aussi été adapté dans une douzaine de pays

Gabon Marc Aicardi De Saint-Paul, 2025-05-30 First published in 1987 and in English in 1989 Gabon provides an essential introduction to the geography history sociology economics and politics of Gabon in considerable detail It assesses Gabon's achievement the initiation of a national minimum wage of a campaign for women's rights of an advanced health and education policy and the political and economic dangers it still faces The smooth transition of Francophone Africa from colonies to republics was achieved largely because both sides benefitted In retrospect as Africa continues to be plagued by drought disease and poverty the advantages may appear to have been one-sided Gabon is one of the few countries to have escaped the African poverty trap Its rapid emergence as an important oil producer and its stable independent political stance have made it an African success story Gabon incorporated and adapted much of the colonial administrative structure into its own republican constitution and began to redeploy its resources early on both these factors have allowed President Bongo to steer his country through the oil crises of the 70s and 80s This comprehensive volume is an important historical reference work for scholars and researchers of African Studies and African politics

Colonial Rule and Crisis in Equatorial Africa Christopher John Gray, 2002 A look at the encounter between the French and the peoples of Southern Gabon in terms of their differing conceptions of boundaries In the second half of the nineteenth century two very different practices of territoriality confronted each other in Southern Gabon Clan and lineage relationships were most important in the local practice while the French practice was informed by a territorial definition of society that had emerged with the rise of the modern nation state and industrial capitalism This modern territoriality used an array of bureaucratic instruments such as maps and censuses previously unknown in equatorial Africa Such instruments denied the existence of locally created territories and were fundamental to the exercise of colonial power Thus modern territoriality imposed

categories and institutions foreign to the peoples to whom they were applied As colonial power became more effective from the 1920s on those institutions started to be appropriated by Gabonese cultural elites who negotiated their meanings in reference to their own traditions The result was a strongly ambiguous condition that left its imprint on the new colonial territories and subsequently the postcolonial Gabonese state Christopher Gray was Assistant Professor of History Florida International University *Being Lakota* Larissa Petrillo,Melda Trejo,Lupe Trejo,2007-12-01 In Libreville the capital of the African nation of Gabon the colonial past has evolved into a present indelibly marked by colonial rule and ongoing French influence This is especially evident in areas as essential to life as food In this complex hybrid culinary culture of Libreville croissants are as readily available as plantains Yet this same culinary diversity is accompanied by high prices and a scarcity of locally made food that is bewildering to residents and visitors alike A staggering two thirds of the country s food is imported from outside Gabon making Libreville s cost of living comparable to that of Tokyo and Paris In this compelling study of food culture and colonialism Jeremy Rich explores how colonial rule intimately shaped African life and how African townspeople developed creative ways of coping with colonialism as European expansion threatened African self sufficiency From colonization in the 1840s through independence Libreville struggled with problems of food scarcity resulting from the legacy of Atlantic slavery the violence of colonial conquest and the rise of the timber export industry Marriage disputes racial tensions and worker unrest often centered on food and townspeople employed varied tactics to combat its scarcity Ultimately imports emerged as the solution and have had a lasting impact on Gabon s culinary culture and economy Fascinating and informative *A Workman Is Worthy of His Meat* engages a new avenue of historical inquiry in examining the culture of food as part of the colonial experience and resonates with the questions of globalization dominating culinary economics today

Dissent, Protest and Dispute in Africa Toyin Falola,Emmanuel Mbah,2016-12-19 This book provides unique and detailed perspectives on different aspects of dissent protest and disputes and how these have in turn continued to pose challenges in Africa The contributors argue that dissent protest and most forms of disputes in Africa are the result of daily challenges that its people have faced and continue to encounter to this day These challenges include amongst others demands for transparency good governance and accountability waves of instability that have created insecurity in most parts of the continent an unsustainable level of youth unemployment rapid population growth a continent wide healthcare and poverty crises and numerous environmental challenges The chapters elevate the debates on dissent protest and disputes conflict in Africa by adding new ideas and introducing new and useful interpretations The book s strength lies in the contributors ability to conflate colonial and postcolonial tendencies to show how challenges of the past are not so different from those of today while also presenting important historical issues from various scholarly perspectives *Dissent Protest and Dispute in Africa* will be of interest for students and scholars of African history politics and culture as well as those interested in social movements and civil society **Le Miroir et le crâne** Julien Bonhomme,2006 *La scène se passe au cœur d'une nuit*

Histoire de la littérature française Louis Petit de Julleville, 1895 **French Colonial History**, 2002 **Collection de documents inédits sur l'histoire de France**, 1911 Free French Africa in World War II Eric T. Jennings, 2015-07-08 Only in recent

years have historians rediscovered the critical role that French colonial troops played in the twentieth century's two world wars What is perhaps still deeply under appreciated is how much General de Gaulle's Free France drew its strength from 1940 to the middle of 1943 from fighting men resources and operations in French Equatorial Africa rather than London Territorially Free France spanned from the Libyan border with Chad down to the Congo River and to the scattered tiny French territories of the South Pacific and India Eric T Jennings tells the story of an improbable French military and institutional rebirth through Central Africa and gives a unique deep look at the key role Free French Africa played during World War II to help the Allied cause **La France coloniale: histoire, géographie, commerce, ouvrage publ. sous la direction de m.
