Great Divide Failure Of Islam And Triumph Of The West:

The Great Divide Alvin J. Schmidt, 2004 Documents from reliable historical sources the chasm wide differences between the Western world and the world of Islam using Islam s Koran Contrasts the teaching of religion and the differing religious practices of the east and west and their results in day to day living **Lessons from Fallen Civilizations: Can a**

Bankrupt America Survive the Current Islamic Threat Larry Kelley, 2013-09-17 Islam s aggression against the West has been constant for the fourteen centuries of its existence The armies of Allah conquered most of the Christian Middle East and nearly conquered all of Christian Europe twice Americans know that the fall of Rome has ominous lessons for America They instinctively know that there are always barbarians at the gate Using history as its guide Lessons From Fallen Civilizations poses and answers the question Can a Bankrupt America Survive the Current Islamic Threat Today millions of militant Muslims awake every morning plotting the destruction of the US Many are among us They are our neighbors and co workers Their mission is to first intimidate then to destabilize our economy and ultimately to plant the black flag of Islam at the top of the White House Lessons demonstrates how immutable laws have always governed the fall of five great civilizations It shows how those immutable laws can be seen to repeat over time and how they are at work now It is a saga which chronicles the decisions deeds and heroics of our ancestors who saved the West It identifies the decisions we must make and the actions we must take in order to remain a free people Kelley s Immutables demonstrate how a declining America will fall at the hands of Islamic extremists **Moon-o-theism, Volume II of II** Yoel Natan, 2006 This is volume two of a two volume study of a war

and moon god religion that was based on the Mideast moon god religion of Sin **The First Jihad** Daniel Allen Butler, 2020-01-10 A well researched account of the nineteenth century Sudanese cleric who led a bloody holy war from a New York Times bestselling author Publishers Weekly Before bin Laden al Zargawi or Ayatollah Khomeini there was the Mahdi the Expected One who raised the Arabs in pan tribal revolt against infidels and apostates in Sudan Born on the Nile in 1844 Muhammed Ahmed grew into a devout charismatic young man whose visage was said to have always featured the placid hint of a smile He developed a ferocious resentment however against the corrupt Ottoman Turks their Egyptian lackeys and finally the Europeans who he felt held the Arab people in subjugation In 1880 he raised the banner of holy war and thousands of warriors flocked to his side The Egyptians dispatched a punitive expedition to the Sudan but the Mahdist forces destroyed it In 1883 Col William Hicks gathered a larger army of nearly ten thousand men Trapped by the tribesmen in a gorge at El Obeid it was massacred to a man Three months later another British led force met disaster at El Teb This was followed by the infamous conflict at Khartoum during which a treacherous native or patriot depending upon one s point of view let the Madhist forces into the city resulting in the horrifying death of Gen Charles Chinese Gordon at the hands of jihadists In today s world the Mahdi s words have been repeated almost verbatim by the jihadists who have attacked New York Washington Madrid and London and continue to wage war from the Hindu Kush to the Mediterranean Along with

Saladin the Mahdi stands as an Islamic icon who launched his own successful crusade against the West This deeply researched work reminds us that the clash of civilizations that supposedly came upon us in September 2001 in fact began much earlier and lays important tracks into the study of terror fundamentalism and the early clash between Islam and Christianity Publishers Weekly

America-A Purpose-Driven Nation Philip Michael Pantana, 2007-11 AMERICA A PURPOSE DRIVEN NATION ONE NATION UNITED ONE GOD JEHOVAH ONE LAW BIBLICAL Freedom of Religion The founding of America was Providential not accidental America was founded on purpose for a purpose freedom to worship as people please Christianity is the faith that gave birth to freedom of religion Because of this spiritual heritage America is known around the world for freedom the Bill of Rights ensures for all citizens beginning with religious tolerance Reversing Current Secular Trends What secularists are doing today is repressive to the First Amendment and offensive to Christians The secularist agenda to enact Hate Crimes laws designed contrary to biblical principles is a destructive form of government opposing the consent of the governed Ronald Reagan hero of conservatives said The frustrating thing is that those who are attacking religion claim they are doing it in the name of tolerance Question Isn't the real truth that they are intolerant of religion Reversing the current trend of secularization in American society involves making two essential changes 1 quashing the unfriendly secularist war on faith and 2 overturning activist Courts which limit Judeo Christian expression in the public arena Real Problems Real Solutions This book features a Contract with Conservatives that offers real solutions to the vital issues we the people must come to grips with Like German reformer Martin Luther in October of 1517 Pantana nails 95 theses of conservatism on the false walls erected by secularists which separate church from state History is too filled with examples of this pattern for it to be ignored The silent majority must let its voice be heard loud and clear at the ballot box in the 2008 election For more information on the 95 proposals in the Contract with Conservatives visit www.purposedrivennation.com How Christianity Changed the World Alvin J. Schmidt, 2009-12-15 Western civilization is becoming increasingly pluralistic secularized and biblically illiterate Many people today have little sense of how their lives have benefited from Christianity's influence often viewing the church with hostility or resentment How Christianity Changed the World is a topically arranged Christian history for Christians and non Christians Grounded in solid research and written in a popular style this book is both a helpful apologetic tool in talking with unbelievers and a source of evidence for why Christianity deserves credit for many of the humane social scientific and cultural advances in the Western world in the last two thousand years Photographs timelines and charts enhance each chapter This edition features questions for reflection and discussion for each chapter *Encyclopedic Dictionary of Cults, Sects, and World Religions* Larry A. Nichols, George Mather, Alvin J. Parrish,2019-05-06 Does atheism have a monopoly on reason and science Many think so or simply assume so Atheism challenges the many hidden assumptions that have led to the popular belief that atheism is the default position for explaining reality Delving into the most basic and fundamental questions of existence this thought provoking book explains that atheism does not and cannot provide a secure foundation for thought and life Specifically it demonstrates that atheistic theories cannot explain the existence of an ordered universe the conundrums of consciousness and knowledge or why there is morality or beauty Rather than being the result of reason atheism is shown to be in effect a revolt against reason If you enjoy pondering the most basic issues that confront us in our world today then *Atheism* is the book for you **Is God Just a Human Invention?** Sean McDowell,Jonathan Morrow,2011-03-24 Sean McDowell and Jonathan Morrow have penned an accessible yet rigorous look at the arguments of the New Atheists Writing from a distinctively Christian perspective McDowell and Morrow lay out the facts so that the emerging generation can make up their own mind after considering all the evidence [Life Is Short Compared to Eternity](#) Richard Trayler,2010-11 Who was and is Jesus Christ What is the gospel of Jesus Christ Is the Bible trustworthy How can the gospel of Jesus Christ benefit you Apologetics What are the central teachings of Islam atheism and secular socialism and why do these fail to measure up to Biblical Christianity Polemics What are the major yet to be fulfilled biblical prophecies and how will these affect you Prophecy The Bible says that God created you in His image that God loves you and wants to have a personal relationship with you How can you know God and have a
