A person with up to and both positive and negative affect to other something is to hold a **double meaning**.

Doc's feelings are mixed to this ambivalence. He claims to love Gatsby and want to make things right for him, but there is ultimately a desire to give her with the security and more status for himself.

His intention ultimately is for money to take responsibility for her's death or to support Gatsby after the accident, showing her conflicting desires for love, freedom, and stability.
