

'The Great Gatsby': Lesson Starter 9

Year 9

Chapter Nine: Summary

Fill in the blank spaces below using the word box to help with recall.

death	achieve	wealth	Wilson
Jordan	marriage	love	influenced
wealth	conscience	carelessly	dream

After Gatsby's _____, Nick recounts the chaotic aftermath of the funeral, where

_____ stories about Gatsby's relationship with Myrtle and _____ circulate

widely. Nick attempts to organise a _____ funeral but finds himself largely alone in the

_____ as Gatsby's former acquaintances have not

attended. Only a few, including Gatsby's father, attend. Disillusioned,

_____ decides to return to the Midwest, breaking off his relationship with _____

reveals she's engaged.

In a final encounter with Tom, Nick learns Tom's role in Gatsby's demise and concludes that Tom

and Daisy embody careless destruction shielded by _____.

Reflecting on the East's

glare and grotesquerie, Nick moves on _____ as Gatsby's _____ steps

_____.

Great Gatsby Lesson 4 Handout 9 Answers:

The Great Gatsby - Literature Kit Gr. 9-12 Chad Ibbotson, 2016-01-01 Experience the rise and fall of mankind through a series of events that ultimately lead to a tragic end Encourage students to make connections between the novel and real life through discussion questions and writing prompts Students brainstorm the different themes that may be presented prior to reading the novel Use evidence from the text to explain how Nick describes Myrtle s sister Complete sentences from the story with their missing vocabulary words Research the real life scandal of the 1919 World Series touched on in the novel and explain the social and cultural impacts this event had in the United States Pick up Nick s story five years after the events in the novel and discuss where Nick would be and what he would be doing Aligned to your State Standards and written to Bloom s Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel The Great Gatsby written by F Scott Fitzgerald is a story about a man prospering from the Jazz Age and his inevitable downfall Told through the eyes of Nick Carraway we are introduced to his mysterious neighbor Jay Gatsby who spends every evening throwing lavish parties One such night Nick is extended an invitation There we learn of Gatsby s intention of using Nick to facilitate a reunion between Gatsby and his lost love Daisy Buchanan Daisy who lives across the lake in the house with the green light at the end of the dock also happens to be Nick s cousin Daisy and Gatsby s reunion leads to a tragic love affair that changes the lives of each character forever Truman Capote Tison Pugh, 2014 Pugh explores Capote through a cinematic lens skillfully weaving the most relevant elements of Capote s biography with insightful critical analysis of the films screenplays and adaptations of his works that composed his fraught relationship with the Hollywood machine **Inside The Great Gatsby** A.E. Elmore, 2025-02-15 Inside The Great Gatsby The Hidden Subtext is a revolutionary analysis of the famed novel that reveals its important previously unknown literary foundations drawn from classical and modern literature including the works of Dante Milton Conrad Spengler Frazer Weston Joyce Eliot and the King James Bible Other studies of the novel have focused primarily on its biographical cultural or social issues but none prior to Elmore s have systematically examined the unrecognized debts Gatsby owes to previous literary works The ultimate irony is that Gatsby lauded as one of the greatest novels in the English language earned its stature based solely on recognition of only a part of its whole the literal narrative or surface story without realization or acknowledgment of its foundational subtext the hidden layer that links it to the universal library of human experience most of which remained undetected until the centennial year of the novel s original publication Oswaal Objective General English | Quantitative Aptitude | Verbal And Non-Verbal Reasoning | Logical Reasoning | Chapter Wise | Topic Wise | Set Of 4 Books | For All Latest Competitive Exams Oswaal Editorial Board, 2024-09-09 Benefits of the product 1 Crisp Revision Concepts Review Mind Maps offer bite sized and just in time revision tools 2 Extensive Practice with 700 Previous Years questions based on 3 difficulty levels 3 Valuable Exam Insights Exam wise weightage analysis of questions 4 Concept Clarity Easy to Grasp theory complemented by Solved examples 5

100% Exam Readiness with fully solved previous years questions of different competitive examinations 6 Learning Objectives Outlines what aspirant should understand or be able to achieve after the course 7 Expert Tips Helps you get expert knowledge to master the Logical Reasoning in your first attempt

Microeconomic Principles and Problems Geoffrey Schneider, 2019-05-29 Microeconomic Principles and Problems offers a comprehensive introduction to all major perspectives in modern economics including mainstream and heterodox approaches Through providing multiple views of markets and how they work it will leave readers better able to understand and analyse the complex behaviours of consumers firms and government officials as well as the likely impact of a variety of economic events and policies Most principles of microeconomics textbooks cover only mainstream economics ignoring rich heterodox ideas They also lack material on the great economists including the important ideas of Adam Smith Karl Marx Thorstein Veblen John Maynard Keynes and Friedrich Hayek Mainstream books neglect the kind of historical analysis that is crucial to understanding trends that help us predict the future Moreover they focus on abstract models more than existing economic realities This engaging book addresses these inadequacies Including explicit coverage of the major heterodox schools of thought it allows the reader to choose which ideas they find most compelling in explaining modern economic realities Written in an engaging style focused on real world examples this ground breaking book brings economics to life It offers the most contemporary and complete package for any pluralistic microeconomics class *El-Hi Textbooks & Serials in Print, 2000* ,2000 Aldous Huxley and the Search for Meaning Ronald T. Sion, 2014-01-10 Aldous Huxley author of eleven novels remains one of the towering figures of the twentieth century his work resistant to passing fads in literature This critical biography explores Huxley's lifelong quest for self actualization by intertwining the events of his life and details of the creative period that produced each book Considering Huxley's letters essays and interviews in its examination of the thematic content of each novel the text finds a man striving for the intellectual growth that would yield a sound philosophical and spiritual view of life one he infused into his work

Sport in the Classroom David L. Vanderwerken, 1990 A collection of essays that focuses on teaching sport related classes in the humanities and social sciences It is designed to aid university faculty in proposing or revising courses and features sample syllabi assignment instructions and examinations in the appendix to each essay

Whitaker's Book List ,1991 Bachelors, Manhood, and the Novel, 1850-1925 Katherine V. Snyder, 1999-09-02 Katherine Snyder's study explores the significance of the bachelor narrator a prevalent but little recognised figure in premodernist and modernist fiction by male authors including Hawthorne James Conrad Ford and Fitzgerald Snyder demonstrates that bachelors functioned in cultural and literary discourse as threshold figures who by crossing the shifting permeable boundaries of bourgeois domesticity highlighted the limits of conventional masculinity The very marginality of the figure Snyder argues effects a critique of gendered norms of manhood while the symbolic function of marriage as a means of plot resolution is also made more complex by the presence of the single man Bachelor figures made moreover an ideal narrative device for male

authors who themselves occupied vexed cultural positions By attending to the gendered identities and relations at issue in these narratives Snyder's study discloses the aesthetic and political underpinnings of the traditional canon of English and American male modernism

The Evolution of Economic Ideas and Systems Geoffrey Schneider, 2025-11-25 In order to fully understand the evolution and future growth of economic systems we must draw on the lessons of economic history Historical analysis is crucial to understanding trends and patterns that can help us predict the future The Evolution of Economic Ideas and Systems continues to present a groundbreaking pluralist introduction to economic history and the history of economic thought Tracing the development of economic systems and economic thought the text introduces students to the story from ancient times to contemporary capitalism and also its critics Focusing in particular on Smith Marx Veblen and Keynes the text encourages students to consider which ideas and systems are still relevant in the modern world This second edition includes brand new chapters on the role of government in modern micro and macroeconomic systems inequality climate change and environmental regulations economic growth and globalization as well as a concluding chapter exploring modern themes in economic systems There is also additional material on non Western economic systems and the views of economists and anthropologists on economic behavior A comprehensive package of supplementary teaching resources is also available for instructors The Evolution of Economic Ideas and Systems remains an ideal standalone text for relevant classes or as a supplement to standard texts

Injustice Danny Dorling, 2015-06-03 In the five years since the first edition of Injustice there have been devastating increases in poverty hunger and destitution in the UK Globally the richest 1% have never held a greater share of world wealth while the share of most of the other 99% has fallen in the last five years with more and more people in debt especially the young Economic inequalities will persist and continue to grow for as long as we tolerate the injustices which underpin them This fully rewritten and updated edition revisits Dorling's claim that Beveridge's five social evils are being replaced by five new tenets of injustice elitism is efficient exclusion is necessary prejudice is natural greed is good and despair is inevitable By showing these beliefs are unfounded Dorling offers hope of a more equal society We are living in the most remarkable and dangerous times With every year that passes it is more evident that Injustice is essential reading for anyone concerned with social justice and wants to do something about it

Race Talk in the Age of the Trigger Warning Mara Lee Grayson, 2020-03-20 To generate opportunities for transformative learning educators must create learning environments that help students feel safe and encourage them to grapple with potentially difficult material The trigger warning a brief statement informing students of potential distressing or re-traumatizing content has been offered as a way to do just that but this practice is neither as effective nor as equitable as it may seem Intentionally or indirectly the trigger warning limits the extent to which students are encouraged to engage in transformative critical conversations and reinforces the culture of silence that prevails in many educational spaces Emerging as a response to trauma amid an educational environment that professes student responsiveness and celebrates diversity yet perpetuates

the marginalization of many of the bodies in the classroom the trigger warning is not the problem but it is not the solution either What does this mean for the faculty members teaching this new generation of college students And the teachers who find this generation s younger siblings in their high school classrooms Drawing upon original research Mara Lee Grayson tracks the rise of the trigger warning within historical and contemporary educational contexts explores its potentialities limitations and abuses as praxis and offers curricular suggestions for high school and college instructors seeking to implement equitable antiracist pedagogies that simultaneously encourage students well being provoke intellectual and emotional growth and challenge the cultures of silence that maintain inequity on school campuses **Differentiating**
