Awaken Your Creative Spirit

Kevin Hunter,2016-03-05 Your creative spirit is present when you experience positive energy flowing through you This energy is ignited when you make a direct connection with God This vibration state is where you have access to the true you which is your higher self Your higher self rules when you work to strip reduce or dissolve any negative tampering influenced by a domination of your physical surroundings Make a connection with something greater than yourself and allow that energy Light to permeate your soul and cleanse it of toxic debris This will assist in the process of awakening your creative spirit from slumber Your creative spirit is more than being artistic and getting involved in creativity pursuits although this is a good part of it When your creative spirit is activated by a high vibration state of being then this is the space you create from You can apply this to your dealings in life your creative and artistic pursuits and to having a greater communication line with your Spirit team on the Other Side Your creative spirit brings your soul into a high vibration state of being because coming from a place of creativity raises your vibration This is the zone where you create and manifest your visions at higher levels from while simultaneously moving you into the joy of your

life It is thinking like a kid unleashing your inner artist and realizing your soul's potential When you claim your celestial power with the assistance of your heavenly helpers by your side on your Earthly life then this assists in capitalizing the true divine power within you **Awaken Your Creative Spirit** is an overview of what it means to have access to Divine assistance and how that plays a part in arousing the muse within you in order to bring your state of mind into a happier space **Divine Healing Transforming Pain into Personal Power** Vonne Solis, 2018-11-02 Realizing the potential you have to awaken to your power as an enlightened being is central to authentic healing There is a significant distinction between superficially healing wounds and authentically healing If you feel ready to surrender all pain and struggle Divine Healing is a must read Delivered as both a story and a practice the author compassionately shares her journey to become whole after the suicide of her daughter in 2005 Though written in the context of the parental grief experience Divine Healing is intended for anyone who desires authentic healing Each chapter a journey in itself reminds us of the eternal truths that teach that all healing is possible despite the origin of any pain The lessons while not confined to only one experience in pain reach into the core root of all suffering and will guide anyone through any difficulty to find peace and joy Not only will you develop a richer understanding of suffering and healing including viewing loss and grief differently but by learning to work with the angels you will reclaim your power as the authentic being you already are You will learn to honor all of your hurtful experiences and trust in your ability to become whole on your own terms Realizing you are the catalyst for your own powerful transformation Divine Healing inspires you to courageously want more for your life and teaches you how to continually manifest the life you were meant to find and enjoy through a realistic heartfelt practice **What Consumers Should Know about Their**
