**Wild Awakening** Dzogchen Ponlop, 2003-12-16 Mahamudra and Dzogchen are perhaps the most profound teachings within all of Tibetan Buddhism The experience of Mahamudra or great symbol is an overwhelming sense of extraordinary clarity totally open and nondualistic Dzogchen or great perfection is the ultimate teaching according to the Nyingma tradition and also represents the pinnacle of spiritual development These are the two paths that provide practitioners with the most skillful means to experience the fully awakened state and directly taste the reality of our mind and environment And yet these concepts are notoriously difficult to grasp and challenging to explain In Wild Awakening Tibetan Buddhist master Dzogchen Ponlop Rinpoche presents these esoteric teachings in a style that reveals their surprising simplicity and great practical value emphasizing that we can all experience our world more directly with responsibility freedom and confidence With a straightforward approach and informal style he presents these essential teachings in a way that even those very new to Tibetan Buddhism can understand

**Beyond Salvation** Edmund J. Rybarczyk, 2006-10-01 Despite their historical and cultural differences Eastern Orthodox Christians and Classical Pentecostals share some surprising similarities Both incorporate holistic approaches to Christian spirituality Both manifest an organic approach to ecclesiology Both emphasize that Christianity is not just about being saved Most strikingly both traditions embrace the effective and even mystical dimensions of Christian transformation This study locates both traditions within their cultural and philosophical meta contexts and suggests avenues of mutual understanding No longer can these two groups representing ancient and recent Christian expressions afford to be strangers

**Visionary Strategic Leadership** David L. Rainey, 2013-09-01 The book represents a dramatic step forward in discussing the principles processes and practices of visionary strategic leadership While most of the existing literature covers the subject from organizational and management perspectives the book focuses on a holistic view of the corporation and all of the supporting entities and customers and stakeholders The book addresses new theories methods and practices that are in line with 21st century dynamics The book is on the cutting edge of thought and practice It discusses constructs based on the integration of the social economic ethical technological and environmental considerations Examples are taken from numerous industries in the U S Europe Pacific Rim and South America The book portrays the global phenomenon The discussions are based on real world needs and expectations There is a huge audience of executives professionals and practitioners who need to understand the opportunities and challenges of today and in the future There are scholars professors and business leaders who will view these perspectives as real world approaches being practiced by global corporations today
