countries who cannot read or write from the radical world of Islam as well as others who continue to associate themselves with the Muslim family but have strayed from the teachings of Muhammad and are less than Islam's Muslim in their way of life. In the book the author deals with 1500 year old beliefs of the fundamentalist Islam's true Muslim. The questions asked and answered are what is the true nature of Islam and who are the real Islam Muslims in the mosques who stay hidden behind closed doors. Those who must defend against radical Islam must take their time to understand the Jihadist. It is time America pulls its head out of Muslim sand that is soaked with blood from 1500 years of Islamic aggression and deals with the reality of what was once an oppressed tribal cult in the Arabian Desert but is now a dominating brutal and repressive theocracy spreading to every corner of this planet.

Focus on Grammar and Meaning Luciana C. de Oliverira, Mary J. Schleppegrell, 2016-06-28. Walking the Plank: To a Dhimmi Nation Mary Christina Love, 2010-01-12. Walking the Plank: To a Dhimmi Nation reveals how America has been systematically submitting to Islam for decades as American businessmen and politicians endorse Islamic causes in exchange for oil money and power. Mary Christina Love describes Islam as a Russian Doll with each victory leading to a larger victory. She shows how Islam is exerting increasing influence on America through immigration, oil economics, cultural exchange, education, political correctness, financial contributions, and the threat of terror with 9/11 instrumental in enabling Islamic expansion in the United States by destroying evidence of who the world's real imperialists are and affording Muslims an affront to feel aggrieved and demand special protection status. Cohorts in what could result in the largest coup d'état ever: Globalists and Islamists are allies that use a potpourri of tactics to eliminate Capitalism and Democracy to create a one world government. The global warming theory, the recent financial crisis, the bailout cap and trade, and the health care plan will establish a framework that if successful will ultimately drive America into generations of dhimmitude. Mary Christina Love describes dhimmitude as a pacifist reaction to aggression as submission to Islamic demands resulting from cowardice, vulnerability, bribery, and extortion. A dhimmi is a non-Muslim entity that accepts the conditions of Islamic law and remains safe by surrendering to Islamic terms. She provides current and historical examples such as the Barbary Wars to show how America is submitting to Islam through concession and appeasement under coercion and constant fear of reprisal.
