History And Theory In Anthropology:

History and Theory in Anthropology Alan Barnard, 2000-06-15 Anthropology is a discipline very conscious of its history and Alan Barnard has written a clear balanced and judicious textbook that surveys the historical contexts of the great debates and traces the genealogies of theories and schools of thought It also considers the problems involved in assessing these theories The book covers the precursors of anthropology evolutionism in all its guises diffusionism and culture area theories functionalism and structural functionalism action centred theories processual and Marxist perspectives the many faces of relativism structuralism and post structuralism and recent interpretive and postmodernist viewpoints *History and Theory in Anthropology*, 2000

Readings for A History of Anthropological Theory Paul A. Erickson, Liam Donat Murphy, 2010-01-01 This comprehensive anthology presents 40 readings that are critical to an understanding of anthropological theory and the development of anthropology as an academic discipline The readings have broad anthropological appeal emphasizing social and cultural anthropology The third edition has been completely revised throughout and organized to work more closely alongside the companion overview text *A History of Anthropological Theory* It includes six new readings as well as two original essays written by contemporary anthropologists on Why Theory Matters These new essays help ground the more abstract readings in the collection The glossary has been significantly expanded and the discussion questions have been revised The result is a volume that offers not only a strong foundation in the history of the discipline but also a good overview of developments in twentieth and twenty first century anthropological theory including feminist anthropology postmodernity medical anthropology globalization postcolonialism and public anthropology *History and Theory in Anthropology* Alan J. Barnard, 2006

Anthropological Theory R. Jon McGee, Richard L. Warms, 2003 A comprehensive and accessible survey of the history of theory in anthropology this anthology of classic and contemporary readings contains in depth commentary in introductions and notes to help guide students through excerpts of seminal anthropological works The commentary provides the background information needed to understand each article its central concepts and its relationship to the social and historical context in which it was written

A History of Anthropological Theory Paul A.
