Longley, Buck Zaidel, 2015-02-25 Connecticut's Civil War history comes to life in this award winning volume of first hand accounts illustrated with rare period photos Voices of Connecticut's Civil War soldiers rise from the pages of Heroes for All Time This book presents the war straight from the minds and pens of its participants rich passages from soldiers letters and diaries complement hundreds of outstanding period photographs most of which are published here for the first time Written accounts by nurses and doctors soldiers families and volunteers on the home front add intriguing details to our picture of the struggle which claimed roughly 6 000 Connecticut lives Rare war artifacts a bone ring carved on the battlefield or a wad of tobacco acquired from a rebel picket connect the reader to the men and boys who once owned them From camp life to battle from Virginia to Louisiana from the opening shot at Bull Run to the cheering at Appomattox Heroes for All Time tells the story of the war through vivid personal portrayals Winner of the Bruce Fraser Award *The Second Battle of Winchester* Eric J. Wittenberg, Scott L. Mingus, 2016-04-30 A comprehensive deeply researched history of the pivotal 1863 American Civil War battle fought in northern Virginia June 1863 The Gettysburg Campaign is underway Robert E Lee's Army of Northern Virginia pushes west into the Shenandoah Valley and then north toward the Potomac River Only one significant force stands in its way Maj Gen Robert H Milroy's Union division of the Eighth Army Corps in the vicinity of Winchester and Berryville Virginia What happens next is the subject of this provocative new book Milroy a veteran Indiana politician turned soldier was

convinced the approaching enemy consisted of nothing more than cavalry or was merely a feint and so defied repeated instructions to withdraw. In fact the enemy consisted of General Lee's veteran Second Corps under Lt Gen Richard S Ewell. Milroy's controversial decision committed his outnumbered and largely inexperienced men against some of Lee's finest veterans. The complex and fascinating maneuvering and fighting on June 13-15 cost Milroy hundreds of killed and wounded and about 4,000 captured, roughly one half of his command, with the remainder routed from the battlefield. The combat cleared the northern end of the Shenandoah Valley of Federal troops, demonstrated Lee could obtain supplies on the march, justified the elevation of General Ewell to replace the recently deceased Stonewall Jackson, and sent shockwaves through the Northern states. Today the Second Battle of Winchester is largely forgotten. But in June 1863 the politically charged front page news caught President Lincoln and the War Department by surprise and forever tarnished Milroy's career. The beleaguered Federal soldiers who fought there spent a lifetime seeking redemption, arguing their three-day forlorn hope delayed the Rebels long enough to allow the Army of the Potomac to arrive and defeat Lee at Gettysburg. For the Confederates, the decisive leadership on display outside Winchester masked significant command issues buried within the upper echelons of Jackson's former corps that would become painfully evident during the early days of July on a different battlefield in Pennsylvania.

Award-winning authors Eric J Wittenberg and Scott L Mingus Sr combined their researching and writing talents to produce the most in-depth and comprehensive study of Second Winchester ever written, and now in paperback. Their balanced effort, based upon scores of archival and previously unpublished diaries, newspaper accounts, and letter collections, coupled with familiarity with the terrain around Winchester and across the lower Shenandoah Valley, explores the battle from every perspective.

[History of the 13th Infantry Regiment of Connecticut Volunteers](#) Homer Baxter Sprague, 1867

[The Last Battle of Winchester](#) Scott C. Patchan, 2013-07-19

Unique insight, good storytelling skills, deep research, and keen appreciation for the terrain: one outstanding work of history. Eric J Wittenberg, award-winning author of *Gettysburg's Forgotten Cavalry Actions*. The Third Battle of Winchester in September 1864 was the largest, longest, and bloodiest battle fought in the Shenandoah Valley. What began about daylight did not end until dusk when the victorious Union army routed the Confederates. It was the first time Stonewall Jackson's former corps had ever been driven from a battlefield, and their defeat set the stage for the final climax of the Valley Campaign. This book represents the first serious study to chronicle the battle. The Northern victory was a long time coming. After a spring and summer of Union defeat in the Valley, Lt Gen Ulysses S Grant cobbled together a formidable force under Phil Sheridan, an equally redoubtable commander. Sheridan's task was a tall one: sweep Jubal Early's Confederate army out of the bountiful Shenandoah and reduce the verdant region of its supplies. The aggressive Early had led the veterans of Jackson's Army of the Valley District to one victory after another at Lynchburg, Monocacy, Snickers Gap, and Kernstown. Five weeks of complex maneuvering and sporadic combat followed before the opposing armies met at Winchester, an important town that had changed hands dozens of times over the previous three

years Tactical brilliance and ineptitude were on display throughout the daylong affair as Sheridan threw infantry and cavalry against the thinning Confederate ranks and Early and his generals shifted to meet each assault A final blow against Early's left flank finally collapsed the Southern army killed one of the Confederacy's finest combat generals and planted the seeds of the victory at Cedar Creek the following month This vivid account based on more than two decades of meticulous research and an unparalleled understanding of the battlefield and rich in analysis and character development is complemented with numerous original maps and explanatory footnotes that enhance our understanding of this watershed battle Between Rebels and Yankees Taylor M. Chamberlin, John M. Souders, 2011-09-29 The northern part of Loudoun County was a Unionist enclave in Confederate Virginia that remained a contested battleground for armies and factions of all stripes throughout the Civil War Lying between the Blue Ridge Mountains Harpers Ferry and Washington D C the Loudoun Valley provided a natural corridor for commanders on both sides while its mountainous fringes were home to partisans guerillas deserters and smugglers This detailed history examines the conflicting loyalties in the farming communities the peaceful Quakers caught in the middle and the political underpinnings of Unionist Virginia The Opening Battles Kevin Campbell, 2016-06-10 Author Kevin Campbell in this work examines in detail the swirling cavalry fight at Brandy Station He also gives a lucid well written account of the debacle that befell Robert H Milroy and his ill fated division at Winchester and Carters Woods Those battles bloody in their own right were soon relegated to the back pages when the horrific Battle of Gettysburg began dominating the press and the postwar reminiscences of the veterans We can learn much from this new work with its treasury of pertinent eyewitness accounts and clear prose His skill in digging through the regimental official records diaries and other materials is evident as well as his ability to interweave them into a cohesive narrative that brings the battles personalities and long hours of marching to light Beleaguered Winchester Richard R. Duncan, 2007-06 During the Civil War the strategically located town of Winchester Virginia suffered from the constant turmoil of military campaigning perhaps more than any other town Occupied dozens of times by alternating Union and Confederate forces Winchester suffered through three major battles including some seventy smaller skirmishes In his voluminous community study of the town over the course of four tumultuous years Richard R Duncan shows that in many ways Winchester's history provides a paradigm of the changing nature of the war Indeed Duncan reveals how the town offers a microcosm of the war slavery collapsed women assumed control in the absence of men and civilians vied for authority alongside an assortment of revolving military commanders Control over Winchester was vital for both the North and the South Confederates used it as a base to strike the Baltimore and Ohio Railroad and conduct raids into western Maryland and Pennsylvania and when Federal forces occupied the town they threatened Staunton Lee's breadbasket and the Virginia Central Railroad At various times during the war generals Stonewall Jackson Nathaniel Banks Robert Milroy Richard Ewell Jubal Early and Philip Sheridan each controlled the town Guerrilla activity further compounded the region's strife as insecurity became the norm for its civilian population In this first scholarly

treatment of occupied Winchester Duncan has compiled a narrative of voices from the entire community including those of groups often omitted from such studies such as slaves women and Confederate dissenters He shows how Federal occupation meant an early end to slavery in Winchester and how the paucity of men left women to serve as the major cohesive force in the community making them a bulwark of Confederate support He also explores the tensions between civilians and military personnel that inevitably arose as each group sought to protect its interests The war Duncan explains left Winchester a landscape of wreckage and economic loss A fascinating case study of civilian survival amid the turmoil of war Beleaguered Winchester will appeal to Civil War scholars and enthusiasts alike *History of the Descendants of Peter Spicer* ,1911

Across the Bloody Chasm M. Keith Harris,2014-11-24 Long after the Civil War ended one conflict raged on the battle to define and shape the war s legacy Across the Bloody Chasm deftly examines Civil War veterans commemorative efforts and the concomitant and sometimes conflicting movement for reconciliation Though former soldiers from both sides of the war celebrated the history and values of the newly reunited America a deep divide remained between people in the North and South as to how the country s past should be remembered and the nation s ideals honored Union soldiers could not forget that their southern counterparts had taken up arms against them while Confederates maintained that the principles of states rights and freedom from tyranny aligned with the beliefs and intentions of the founding fathers Confederate soldiers also challenged northern claims of a moral victory insisting that slavery had not been the cause of the war and ferociously resisting the imposition of postwar racial policies M Keith Harris argues that although veterans remained committed to reconciliation the sectional sensibilities that influenced the memory of the war left the North and South far from a meaningful accord Harris s masterful analysis of veteran memory assesses the ideological commitments of a generation of former soldiers weaving their stories into the larger narrative of the process of national reunification Through regimental histories speeches at veterans gatherings monument dedications and war narratives Harris uncovers how veterans from both sides kept the deadliest war in American history alive in memory at a time when the nation seemed determined to move beyond conflict
