John Bagnell Bury, 1904 **A History of the Roman Empire** John B. Bury, 2017-07-15 Excerpt from A History of the Roman Empire From Its Foundation to the Death of Marcus Aurelius 27 B C 180 A D The constitutional theory and history of the Principate have been investigated with such striking

results in recent years by the elaborate researches of Mommsen and his school in Germany that the author felt himself called upon to treat this side of imperial history as fully as the compass of a handbook seemed to admit. It is a subject which cannot be otherwise than difficult but in order to read the history of the Empire intelligently it is indispensable to master at the outset the constitutional principles to which Chapters II and III are devoted.
