The Bullseye Principle David Lewis, G. Riley Mills, 2018-03-20

Critical communication lessons for sustained corporate success. The Bullseye Principle is the definitive how-to guide for communicating, collaborating, and executing as a leader in the corporate arena. With these soft skills trending above technical knowledge in executive wish lists, this book provides invaluable guidance for new and experienced leaders alike from the planning stages to the outcome and beyond. The discussion features critical insight and actionable tips based on award-winning methods. Polish your presence, utilize intention, influence emotion, engage workers, build relationships, make connections, and leverage the power of storytelling; it all comes down to technique. This book shows you everything you need to know to start communicating more effectively starting today. The success of any communication rests more on how the information is conveyed than what that information actually is at every level in every sphere. Effective leaders strive to master key skills that inspire, empower, motivate, and more. This book gives you a solid blueprint for effective communication in nearly any situation, merging the practical and theoretical to help you master the most challenging business interactions. Become more influential as a leader and communicator. Adopt a 3-step methodology to collaborate more effectively. Build your personal brand and executive presence toward sustained success. Most people believe that their communications skills are satisfactory for their jobs; most managers would disagree. That gap in perception presents a problem that ripples beyond your chances of promotion: where your communication fails, it has the capacity to affect the organization as a whole. The Bullseye Principle helps you build a robust repertoire of communication skills that put you ahead of the pack.

The Truth About Acting Tula Tzorass, 2013-07-17

The Truth About Acting is Tula Tzorass's second book, and it's an even more powerful career and life guide than the first. Tula shares her own experiences in TV, film, theatre, and auditions, giving actors practical career advice whilst focusing on the actor's creative self. This is based on the premise that an actor's inner life is directly aligned with an actor's work and brand. This book is practical, holistic, and spiritual, offering actors inside industry dos and don'ts, step-by-step instructions.

on branding both spiritual practical including creating a website how to love versus dread Auditions and Your Own Secret Weapon to Absolute Success According to Tula the only limits one has to contend with are within our very own imaginations Luckily creativity and spirituality go hand in hand most certainly for the actor In *The Truth About Acting* you will get all the practical industry and holistic life tools to have an extraordinary life and career as an actor or artist There is nothing Tula wishes more for you That is why she has faced the confronting task of telling ALL
