## **Masters Of Cinema Tim Burton:**

Masters of Cinema: Tim Burton Aurélien Ferenczi, 2010-11-10 Tim Burton USA b 1958 is the youngest of Hollywood's most successful directors. He has the knack of making films with a very broad appeal taking the silliness out of the representation of children while remaining in touch with the child within himself and his audiences. Burton emerged as a director and storyteller after working as an animator for Disney. His meeting with Johnny Depp enabled him to give physical form to the heroes of his imaginary worlds where fear is mixed with laughter, strange is normal and those who are not normal, such as Edward Scissorhands (1990), must be preserved. After Beetlejuice (1988) and Charlie and the Chocolate Factory (2005), the resolutely boyish Burton, now in his fifties, presents his version of Alice in Wonderland (2010). *A Critical Companion to Tim Burton* Adam Barkman, Antonio Sanna, 2017-10-16 Unlike anything currently available, *A Critical Companion to Tim Burton* is a comprehensive up-to-date analysis of all the works of one of the world's most renowned directors and artists. Written by some of the top scholars working in fields as diverse as philosophy, film, and media studies and literature, all chapters of this book illuminate for both scholars and fans alike the entire artistic career of Burton, giving attention to both his early works and his global blockbusters. **The Works of Tim Burton** J. Weinstock, 2013-11-06 Tim Burton has had a massive impact on twentieth and twenty-first century culture through his films, art, and writings. This book examines how his aesthetics, influences, and themes reflect the shifting social expectations in American culture by tracing his Burton's move from a peripheral figure in the 1980s to the center of Hollywood filmmaking. *Tim Burton* Johnson Cheu, 2016-01-12 Since his early days at Disney, Tim Burton has shown a unique talent and vision. His writing and directing credits range from big-budget features such as *Batman* (1989) and *Batman Returns* (1992) to the comically grisly *The Nightmare Before Christmas* (1993) and *Corpse Bride* (2005) to the twisted fairy tale *Edward Scissorhands* (1990) to literary adaptations like *Big Fish* (2003), *Charlie and the Chocolate Factory* (2005), and *Sweeney Todd* (2007). Though his name has become synonymous with the macabre and the odd, Burton's films often reveal and champion the flawed human in us all. This collection of new essays brings together scholarship on many of his popular films, adaptations, and innovations in stop-motion animation and his collaborative relationship with actor Johnny Depp, providing an in-depth exploration of one of the most prominent figures on the pop culture landscape in recent decades. The Tim Burton Encyclopedia Samuel J. Umland, 2015-09-28 Tim Burton is one of the most inventive filmmakers in the world. From his early work as an animator for Disney studios to his distinctive takes on iconic characters like Batman and Alice in Wonderland, Burton's skewed vision of the world has informed all of his films. Imbuing his films with a comically dark tone, Burton provides a twisted slant on conventional storytelling. In *The Tim Burton Encyclopedia*, Samuel J. Umland looks at all aspects of this idiosyncratic storyteller's films, which frequently display childlike wonder and a macabre humor. Entries in this volume focus on Burton's artistic inspirations as well as creative personnel behind the camera, including writers, cinematographers, costume designers, art directors, and other collaborators.

notably his frequent composer Danny Elfman Recurring actors are also represented such as Michael Keaton Helena Bonham Carter Jack Nicholson and of course Johnny Depp Film entries include all of his features such as Pee Wee's Big Adventure Beetlejuice Edward Scissorhands Ed Wood Big Fish and Dark Shadows Each entry is followed by a bibliography of published sources both in print and online Featuring entries focused on every stage of Burton's career including early animated shorts like Frankenweenie and his work as a producer this volume provides indispensable information about one of the most distinctive filmmakers of the past three decades Comprehensive and entertaining The Tim Burton Encyclopedia will appeal to scholars researchers and fans of this singular director's work [Moviemakers' Master Class](#) Laurent Tirard,2002-10-10 Interviews with Scorsese Lynch Godard Woo the Coen brothers and more of the world's greatest directors on how they make films and why Every great filmmaker has a secret method to his moviemaking but each of them is different In [Moviemaker Master Class](#) Laurent Tirard talks to twenty of our era's most important filmmakers to get to the core of each director's approach to film exploring the filmmaker's vision as well as his technique while allowing each to speak in his own voice Martin Scorsese likes setting up each shot very precisely ahead of time so that he has the opportunity to change it all if he sees the need Lars Von Trier on the other hand refuses to think about a shot until the actual moment of filming And Bernardo Bertolucci tries to dream his shots the night before if that doesn't work he roams the set alone with a viewfinder imagining the scene before the actors and crew join him In these interviews with David Cronenberg Pedro Almodovar Tim Burton Wim Wenders and more which originally appeared in the French film magazine Studio and are being published here in English for the first time enhanced by exceptional photographs of the directors at work Laurent Tirard has succeeded in finding out what makes each filmmaker and his films so extraordinary shedding light on both the process and the people behind great moviemaking Tirard's healthy balance of nuts and bolts information and conceptual musings should be of interest to lay readers as well as would be auteurs Publishers Weekly An excellent resource Library Journal **Masters of the Grotesque** Schuy R.
