that's in this story, people
suffered. This shows it is
not an important part of
the story, but a detail.

Mata Hari Niet Zo Onschuldig:

Mata Hari Sam Waagenaar, 1976 **Mata Hari (1876-1917)** Marijke Huisman, 1998 Centraal staat de vrouw die in 1876 te Leeuwarden werd geboren als Margaretha Geertruida Zelle Voor de Eerste Wereldoorlog was zij een gevierde danseres in Parijs In 1917 werd zij als de spionne Mata Hari in Vincennes ge xecuteerd **The Low Countries** Stichting Ons Erfdeel, 2001 *Empire of Ecstasy* Karl Toepfer, 2023-12-22 *Empire of Ecstasy* offers a novel interpretation of the explosion of German body culture between the two wars nudism and nude dancing gymnastics and dance training dance photography and criticism and diverse genres of performance from solo dancing to mass movement choirs Karl Toepfer presents this dynamic subject as a vital and historically unique construction of modern identity The modern body radiating freedom and power appeared to Weimar artists and intelligentsia to be the source of a transgressive energy as well as the sign and manifestation of powerful mysterious inner conditions Toepfer shows how this view of the modern body sought to extend the aesthetic experience beyond the boundaries imposed by rationalized life and to transcend these limits in search of ecstasy With the help of much unpublished or long forgotten archival material including many little known photographs he investigates the process of constructing an empire of appropriative impulses toward ecstasy Toepfer presents the work of such well known figures as Rudolf Laban Mary Wigman and Oskar Schlemmer along with less known but equally fascinating body culture practitioners His book is certain to become required reading for historians of dance body culture and modernism *Empire of Ecstasy* offers a novel interpretation of the explosion of German body culture between the two wars nudism and nude dancing gymnastics and dance training dance photography and criticism and diverse genres of performance from solo dancin *Pantomime* Karl Toepfer, 2019-08-19 This book offers perhaps the most comprehensive history of pantomime ever written No other book so thoroughly examines the varieties of pantomimic performance from the early Roman Empire when the term pantomime came into use until the present After thoroughly examining the complexities and startlingly imaginative performance strategies of Roman pantomime the author identifies the peculiar political circumstances that revived and shaped pantomime in France and Austria in the eighteenth century leading to the Pierrot obsession in the nineteenth century Modernist aesthetics awakened a huge highly diverse fascination with pantomime The book explores an extraordinary variety of modernist and postmodern approaches to pantomime in Germany Austria France numerous countries of Eastern Europe Russia Scandinavia Spain Belgium The Netherlands Chile England and The United States Making use of many performance and historical documents never before included in pantomime histories the book also discusses pantomime s messy relation to dance its peculiar uses of music its modernization through silent film aesthetics and the extent to which writers performers or directors are authors of pantomimes Just as importantly the book explains why more than any other performance medium pantomime allows the spectator to see the body as the agent of narrative action
