The Conscious Teacher Deborah Nichols Poulos, 2020-01-13 The Conscious Teacher is about all kinds of strategies and techniques educators might employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes The Conscious Teacher unique are the inspirational lessons that are unlike what most teachers get in their teacher education

courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night s Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize The Conscious Teacher is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well The Conscious Teacher is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling

Strength Through Diversity Barry M. Goldenberg, 2025 For nearly seven years from 1967 to 1974 many hundreds of bright college going youth most of whom had previously been labeled as high school dropouts would proudly celebrate their graduation from Harlem Prep a small educational experiment that grew to become a nationally renowned cherished community institution in the iconic Black neighborhood of Harlem Operating in a repurposed supermarket that used blackboards as classroom dividers the school s unique multicultural philosophy inspired all who stepped foot inside This philosophy exemplified by the school s motto of unity through diversity shaped the school s ethos fostered student achievement and most of all made Harlem Prep distinct from any other educational institution past or present In *Strength Through Diversity* Barry M Goldenberg shares the history of this one of a kind multicultural institution from its rise apex and decline revealing the collective stories of hope struggle and love from administrators teachers community members and students Using history as a blueprint Goldenberg illustrates the untapped potential of multicultural education in the ongoing quest for educational equity Provided by publisher
