*Mathematics Problem-solving Challenges For Secondary School Students And Beyond* Alan Sultan,David L  
Linker,2016-02-25 This book is a rare resource consisting of problems and solutions similar to those seen in mathematics  
contests from around the world It is an excellent training resource for high school students who plan to participate in  
mathematics contests and a wonderful collection of problems that can be used by teachers who wish to offer their advanced  
students some challenging nontraditional problems to work on to build their problem solving skills It is also an excellent  
source of problems for the mathematical hobbyist who enjoys solving problems on various levels Problems are organized by  
topic and level of difficulty and are cross referenced by type making finding many problems of a similar genre easy An  
appendix with the mathematical formulas needed to solve the problems has been included for the reader s convenience We  
expect that this book will expand the mathematical knowledge and help sharpen the skills of students in high schools  
universities and beyond The Mathematics That Every Secondary School Math Teacher Needs to Know Alan Sultan,Alice
