The Routledge Companion to Cinema & Gender Kristin Hole, Dijana Jelača, E. Kaplan, Patrice Petro, 2016-11-10 Comprised of 43 innovative contributions this companion is both an overview of and intervention into the field of cinema and gender The essays included here address a variety of geographical contexts from an analysis of cinema Islam and women and television under Eastern European socialism to female audience reception in Nigeria to changing class and race norms in Bollywood dance sequences A special focus is on women directors in a global context that includes films and filmmakers from Asia Africa Australia Europe North and South America The collection also offers a solid overview of feminist contributions to thinking on genre from the chick flick to the action or Western film to film noir and the slasher Readers will find contributions on a variety of approaches to spectatorship reception studies and fandom as well as transnational approaches to star studies and essays addressing the relationship between feminist film theory and

new media Other topics include queer and trans cinema eco cinema and the post human Finally readers interested in the history of film will find essays addressing the methodological dimensions of feminist film history essays on silent and studio era women in film and histories of female filmmakers in a variety of non Western contexts Women Who Changed the World Candice Goucher,2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women s lived experiences Learning how women changed the world will change the ways the world looks at the past Women Who Changed the World Their Lives Challenges and Accomplishments through History features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective The women featured in this four volume set cover the full sweep of history from our ancestral forbearer Lucy to today s tennis phenoms Venus and Serena Williams Every walk of life is represented in these pages from powerful monarchs and politicians to talented artists and writers from inquisitive scientists to outspoken activists Each biography follows a standardized format recounting the woman s life and accomplishments discussing the challenges she faced within her particular time and place in history and exploring the lasting legacy she left A chronological listing of biographies makes it easy for readers to zero in on particular time periods while a further reading list at the end of each essay serves as a gateway to further exploration and study High interest sidebars accompany many of the biographies offering more nuanced glimpses into the lives of these fascinating women Lived Moments Glen W. Norton,2025-01-07 From the everyday concerns of Umberto D to the spiritual traces of Ma nuit chez Maud revelatory moments are intrinsic to the fabric of cinematic modernism Lived Moments conceptualizes the path from Italian Neorealism to the French New Wave as a trajectory unique in its expressions of the indeterminacy and contingency of daily life Drawing on film theory and criticism as well as the history of phenomenological thought Glen Norton offers illustrative readings of cinematic scenes exemplifying this modernist evolution in canonical films by Vittorio De Sica Roberto Rossellini Michelangelo Antonioni Jean Luc Godard and Eric Rohmer Norton describes how these filmmakers structure their characters lifeworlds via moments grounded by chance and multiplicity each having the potential to lift the opaque veil of inwardness Experienced in their immediacy these moments offer the viewer glimpses of a character s potential individuation As such they embody the difficult private and perhaps even incommunicable choices made in the midst of self reflection self awareness and self definition Lived Moments deepens our understanding of the history of cinematic modernism throwing new light on the canonical movements of Neorealism and the New Wave while also demonstrating the importance of lived moments for cinema more broadly The book stands as a model of how film analysis and film philosophy can be symbiotic rather than separate ways of thinking about cinematic experience

The Shelf Phyllis Rose,2014-05-13 Phyllis Rose embarks on a grand literary experiment to systematically read her way through a random shelf of books in the library LEQ LES fairly sure that no one in the history of the world has read exactly this series of novels An original take on literary taste and habits by the acclaimed author of *Parallel Lives* Rose after a career

of reading from syllabuses and writing about canonical books decided to read like an explorer She wanted to sample more democratically the actual ground of literature Casting herself into the untracked wilderness of the New York Society Library's stacks she chose a shelf of fiction almost at random and read her way through it What results is a spirited experiment in Off Road or Extreme Reading Rose's shelf of roughly thirty books has everything she could wish for a remarkable variety of authors and a range of literary ambitions and styles The early nineteenth century Russian classic *A Hero of Our Time* by Mikhail Lermontov is spine by spine with *The Phantom of the Opera* by Gaston Leroux Stories of French Canadian farmers sit beside tales about aristocratic Austrians California detective novels about a novel from an Afrikaans writer who fascinates Rose to the extent that she ends up watching a YouTube video of his funeral A joyous testament to the thrill of engagement with books high and low *The Shelf* leaves us with the feeling that there are treasures to be found on every library or bookstore shelf Rose investigates her own discoveries with exuberance candor and while pondering the many questions her experiment raises and measuring her discoveries against her own inner shelf Exhilarating adventurous original Phyllis Rose's *The Shelf* is a reminder of what reading and writing are all about Azar Nafisi author of *Reading Lolita in Tehran*
