Resting in God's Sovereignty Ernest L. Easley,2024-01-24 In the late nineties Pastor Ernest Easley received difficult news from his doctor a throat cancer diagnosis This diagnosis would be enough to cause any individual to fear for one s life and to worry about whether or not tomorrow would be seen But for Pastor Easley this diagnosis though tragic would be an opportunity to learn to rest in the Sovereignty of God Now more than twenty years later the cancer is gone but the lingering effects of forty four radiation treatments have left him with a withering voice His doctors have said the damage that has been done may or may

not ever heal He will be a preacher who cannot preach Yet we still find a man whose trust and reliance upon God has allowed him to know that even if he cannot speak or preach about God that does not mean that God has lost his sovereignty He is still Lord And even more so Pastor Easley has Scripture to remind him that he is not the first who has had to come to terms with God s sovereignty In Resting in God s Sovereignty readers will find not only the wisdom of a seasoned pastor who has learned the goodness that comes from trusting the Lord but they will also discover ten biblical figures who trusted in the Lord as well

never be able to take dominion in this world When our identity power and authority have been restored then He wants to prepare us for the work ahead The reason why God brings us into the wilderness is to prepare each believer to be able to release their potential Before we are able to be used by God mightily He wants to change our character and filter out all the unnecessary things that we have learned in this world It is a time where man has to learn how to be dependent upon God This dependence starts in the wilderness where there is absolutely nothing God wants all of us to put our total trust upon Him and that He will provide all the necessities that we need God wants His people to experience the supernatural provision that He offers This is especially true for people who desire to be future leaders in the Kingdom This does not only refer to people in leadership but also people who live their life in the marketplace People need to know and understand how God provides in their life and how He wants to use them in their field In order for people to understand how God works they need to be transformed through a season of testing This season of testing is where God actually wants to build up our character Our character needs to be changed to that of God Without a character transformation we will always reflect what we learn in the world We need to get rid of everything that was attached to our life that doesnt reflect the characteristics of God This is done in the wilderness because in the wilderness since there is nothing we cant help but rely on God As we rely on God more then the things that have been attached to our life will start to fall off Everything that was attached has to come off When everything comes off then God will put His Words and traits upon our life That is why character is so important It reflects Gods traits People never look at character as an important aspect in life Character is often ignored or overlooked However to God it is an important quality When we are ultimately changed by God then as we come out of our wilderness experience we will come out with supernatural power to establish His Kingdom here on earth Since we learn of His supernatural provision we will also learn of His supernatural power The whole process of the wilderness experience is receiving the anointing of God upon our life With the anointing of God we will be able to accomplish much When the world says it takes talents and skill to accomplish much to God it is all about the anointing Our wilderness experience will release the anointing that is upon our life The anointing is very crucial in a believers life Just as Jesus was anointed to fulfill His purpose while on earth we need to be anointed to fulfill the purpose of God in our life This cant happen unless we are totally changed and dependent upon God Everyone needs to go through their wilderness experience to receive the anointing of God *My Father's Business* R.A. Feller, 2004-09-08 We loose our peace when love and truth become separated no light for direction leaves us in the dark as we lack understanding or are trapped in misnomers about God where we re found to grope about in uncertainties when chaos rules our thoughts we make poor choices It is good to take time out to get a fresh perspective on life to know what you believe and why Step into My Fathers Business a book about building a healthy attitude in a relationship with God first for the pattern of all else to fall into place My Love calls me into the garden Where I meet with His tender embrace we touch hearts in safety No corruption here an open heart towards truth as we meet in prayer amongst life s flowers and thorns

Through observation shared experience and practical application to direct you to partake of the most meaningful journey that turns into life itself you ll meet with the atmosphere of God s loving reality and learn that He is alive As Jesus said to let down the net for a catch I ve pulled back it in to find it packed with eternal truths Within these pages a miracle awaits only obtainable by grace
