Shattuck, 1999 Written by teachers theologians and practitioners well known for their expertise in the field God and the Victim probes and examines issues of evil justice victimization and forgiveness Working from the view that crime is primarily a spiritual issue the authors look at examples of victimization in the Bible for guidance about how we can better minister to victims today from publisher description **Religion and**

Peacebuilding Harold Coward, Gordon S. Smith, 2012-02-01 In the wake of September 11 2001 religion is often seen as the motivating force behind terrorism and other acts of violence Religion and Peacebuilding looks beyond headlines concerning violence perpetrated in the name of religion to examine how world religions have also inspired social welfare and peacemaking activism Leading scholars from the Aboriginal Hindu Buddhist Confucian Jewish Muslim and Christian traditions provide detailed analyses of the spiritual resources for fostering peace within their respective religions The contributors discuss the formidable obstacles to nonviolent conflict transformation found within sacred texts and living traditions Case studies of Northern Ireland Bosnia Cambodia and South Africa are also examined as practical applications of spiritual resources for peace

The Limits of Forgiveness Maria Mayo, 2021-05-06 Demystifying an unrealistic ideal Maria Mayo questions the contemporary idealization of unconditional forgiveness in three areas of contemporary life so called Victim Offender Mediation involving cases of criminal injury the work of the Truth and Reconciliation Commission in post apartheid South Africa and the pastoral care of victims of domestic violence She shows that an emphasis on unilateral and unconditional forgiveness puts disproportionate pressure on the victims of injustice or violence and misconstrues the very biblical passages especially in Jesus teaching and actions on which advocates of unconditional forgiveness rely

Sticky Faith, Youth Worker Edition Kara Powell, Brad M. Griffin, Cheryl A. Crawford, 2011-10-04 Many of the statistics you read about teenagers and faith can be alarming Recent studies show that 40 50 percent of kids who are connected to a youth group throughout their senior year will fail to stick with their faith in college As youth workers are pouring their time and energy into the students in their ministries they are often left wondering if they've done enough to equip their students to carry their faith into adulthood Fuller Youth Institute has done extensive research in the area of youth ministry and teenage development In *Sticky Faith* the team at FYI presents youth workers with both a theological philosophical framework and practical programming ideas that develop long term faith in teenagers Each chapter presents a summary of FYI's quantitative and qualitative research along with the implications of this research including program ideas suggested and tested by youth ministries nationwide This resource will give youth pastors what they need to help foster a faith that sticks with all the teenagers in their group long after they've left the youth room Living in the Lamplight Hans

Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and

providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood *Relationships and Emotions After Christendom* Jeremy Thomson, 2016-06-01 This accessible and practical book is a mixture of selected theological and psychological insights into key human emotions and relationships Its aim is to help Christian people and churches to behave in relationships and handle emotions in constructive and liberating ways It argues that after Christendom particular attention should be given to how Christians conduct day to day relationships and that developing emotional literacy should be high on churches agendas

Competing Memories Rebekka Friedman, 2017-08-24 The aftermath of modern conflicts deeply rooted in political economic and social structures leaves pervasive and often recurring legacies of violence Addressing past injustice is therefore fundamental not only for societal well being and peace but also for future conflict prevention In recent years truth and reconciliation commissions have become important but contentious mechanisms for conflict resolution and reconciliation This book fills a significant gap examining the importance of context within transitional justice and peace building It lays out long term and often unexpected indirect effects of formal and informal justice processes Offering a novel conceptual understanding of procedural reconciliation on the societal level it features an in depth study of commissions in Peru and Sierra Leone providing a critical analysis of the contribution and challenges facing transitional justice in post conflict societies It will be of interest to scholars and students of comparative politics international relations human rights and conflict studies

Sticky Faith Service Guide Kara Powell, Brad M. Griffin, 2016-02-02 Anyone who serves teenagers today knows that more and more young people are eager to make a difference in the world When students participate in short term missions service and justice causes parents and youth leaders hope these experiences will lead to real transformation But research shows that our efforts don't always stick If we truly want short term work to translate into long term change leaders and students must spend more time before during and after service projects preparing for and processing their experiences The sessions in this leader's guide will help you create experiences that stick both for the students you take and the communities you serve This guidebook offers a host of practical and field tested exercises for each phase of your experience whether it's a half day local service project or a two week trip overseas Participants will engage in hands on experiences to gain new insights about themselves their relationship with God their teammates and the world we're called to love and serve Each of these steps is a catalyst in helping students apply what they have learned in the field to their own lives back at home Also included are ideas to help get parents and the whole church

engaged in service together A companion student journal is also available to boost the potential for personal application throughout the journey

Ministry Team Meetings That Work Kara Powell, Fuller Youth Institute, 2009 You know that the key to a strong youth group is your volunteer team And the key to a strong team of volunteers is a common vision and passion for both teenagers and the ministry Unfortunately you probably also know what a struggle it can be to get that vision out of your own head and into the hearts of your volunteer team Too often we youth pastors schedule regular meetings with our adult volunteers and small group leaders with good intentions but these meetings often degenerate into a string of announcements about upcoming events and leave out the things that lead to deeper ministry This unique research based training resource addresses the needs of you and your volunteer leaders and includes the voices of influential youth ministry veterans Designed to focus on a key monthly issue over nine months Essential Leadership provides you with insight and tools to make ministry team meetings work and to engage all your leaders in discussion that will take both the ministry and the students deeper by exploring Your ministry's strengths weaknesses opportunities and threats Integrating students into the life of the church Effective family ministry Holistic ministry Giving and receiving mentoring Getting the rest you need Deep justice Helping kids who are hurting Giving your kids a faith that lasts Using this leader's guide along with the companion participant's guide will strengthen your youth ministry leadership team so that together you can make a deeper impact on the lives of teenagers

Overcoming Toxic Emotions Raymond Olusesan Aina,2022-07-06 Overcoming Toxic Emotions is a compelling theme to enrich the restorative justice literature on the complex tasks of relational repair in a transitional society With its emphasis on the centrality of rebuilding trust and renewing the mode of being together this book is an innovative addition to the literature on justice in transitional societies It offers an original assessment of the Nigerian experience of restorative justice in peacebuilding This genuinely theological work opens new perspectives for a more adequate understanding of the Christian contribution to peacebuilding and the secular debate on restorative justice Yet the author expresses himself as an African theologian paying attention to the specific context of the problems about transitional justice and integrating spontaneously the wisdom of his dual cultures Yoruba and Christianity With its attentiveness to victim perspectives the book engages the traditional notion of divine omnipotence and vulnerability The book rejects the notion of the fetish omnipotent God It opts instead for an image of God as vulnerable yet powerful in love compelling inspiring and rallying us *Journal of Moral Theology, Volume 5, Number 2* David M. Holcomb,Lindsey A. Holcomb,2011-01-05 The statistics are jarring One in four women and one in six men have been sexually assaulted But as sobering as these statistics are they can t begin to speak to the darkness and grief experienced by the victims The church needs compassionate and wise resources to care for those living in the wake of this evil Other books attempt to address the journey from shame to healing for victims of sexual abuse but few are from a Christian perspective and written for both child and adult victims In Rid of My Disgrace a couple experienced in counseling and care for victims of sexual assault present the gospel in its power to heal the broken and restore the disgraced Justin and Lindsey Holcomb present a clear definition of sexual assault and outline a biblical approach for moving from destruction to redemption Rid of My Disgrace applies a theology of redemption to the grief shame and sense of defilement victims experience This book is

primarily written for them but can also equip pastors ministry staff and others to respond compassionately to those who have been assaulted Part of the Re Lit series
