Semantics : Primes and Universals Anna Wierzbicka, 1996-03-28 This book provides a synthesis of Wierzbicka s theory of meaning which is based on conceptual primitives and semantic universals using empirical findings from a wide range of languages While addressed primarily to linguists the book deals with highly

topical and controversial issues of central importance to several disciplines including anthropology psychology and philosophy Conceptual primitives and semantic universals are the cornerstones of a semantic theory which Anna Wierzbicka has been developing for many years Semantics Primes and Universals is a major synthesis of her work presenting a full and systematic exposition of that theory in a non technical and readable way It delineates a full set of universal concepts as they have emerged from large scale investigations across a wide range of languages undertaken by the author and her colleagues On the basis of empirical cross linguistic studies it vindicates the old notion of the psychic unity of mankind while at the same time offering a framework for the rigorous description of different languages and cultures A major synthesis of Anna

Wierzbicka s work **Desperate for Love** Diana Fogel,2011-12-13 There is a global epidemic of children who have been abandoned abused and neglected When there is no one to care what happens to them these children usually end up on the streets All it takes is one person whose heart is totally submitted to serving God to influence the lives of unwanted children a surrounding neighborhood and even a nation Only Gods love can make such a radical change in one heart and ultimately transform the lives of so many others As a young teenager Lorraine Lamar cried out to God and sought Him with all her heart what began as a cry for help turned into a lifelong ministry When Lorraine responded to Gods call He rewarded her with her ultimate dream to serve in ministry rescuing Filipino children She and her husband Celino and their three children now minister to abandoned abused neglected and orphaned Filipino children at their Faith Hope and Love Kids Ranch in the Philippines The kids ranch has become a symbol of unconditional love and a model for Christian orphanages everywhere Their lives have become perfect examples of lifestyle evangelism in Christian service as they love train and care for unwanted Filipino children challenging the kids and visitors alike to be a blessing rather than a burden to society [The Things We](#)
