Spiritual Building Blocks Marshall Welch, 2015-09-26. Spiritual Building Blocks takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice God's presence in our everyday lives. Part 1 begins by unpacking the greatest commandment into six essential parts: God, the self, our neighbor, our head, our heart, and our hands. The opening chapters answer common questions about spirituality and its relationship with religion. Part 2 presents a variety of spiritual practices and exercises using our head, heart, and hands as building blocks to nurture our spiritual lives as we love God, the self, and our neighbors. Some of these practices may be new, while others may be familiar but reframed in a new way. Personal stories by everyday people illustrate many of these exercises. Spiritual Building Blocks was written for individuals or small groups interested in deepening their spiritual lives. **God with Us** Justin S. Holcomb, 2021-11-16. **Celebrating The 12 Days of Christmas** Chris Marchand, 2019-10-10  
The song The 12 Days of Christmas is a mainstay of the holiday season, but the practice of celebrating Christmas as a twelve-day festival fell out of fashion long ago in most cultures. In *Celebrating the 12 Days of Christmas*, author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6, and then offers suggestions for how you can celebrate it with your family, church, or community. Along with this, he provides answers to many of the nagging questions surrounding the holiday, such as the history behind the twelve days song, why December 25 was chosen as the date, and what to do about its supposedly pagan origins. The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25, and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past.

*Christmas* Emily Hunter McGowin, 2023-09-12  
Of all the seasons of the church calendar, we're most familiar with Christmas, but that can also make it harder to see past all of its cultural trappings to its timeless beauty. In this *Fullness of Time* volume, Emily Hunter McGowin invites us into the church's celebration of Christmas in all its theological and liturgical splendor.

**Films for All Seasons** Abby Olcese, Josh Larsen, 2024-10-15  
Film critic Abby Olcese invites us to reflect on the great themes of the church calendar for each liturgical season through the lens of film. From superhero movies to classics and arthouse films, this book is more than just a book about movies; it's a model for how we engage with art as Christians.

**Shadow and Light** Tsh Oxenreider, 2020-09-01

Though the holidays are often jam-packed with busyness, the weeks leading up to Yuletide are still a time to reflect on the miracle of Jesus's birth. *Shadow and Light* is a concise and customizable guide for the Advent season to help you rediscover your childlike wonder and contemplate the sacred gift we celebrate in the Christmas season. From bestselling author Tsh Oxenreider, *Shadow and Light* is a rich yet approachable experience that invites you to explore the historical meaning of Advent. Drawing from liturgical tradition, Tsh provides fresh insights for new and longtime believers alike. Each day includes Scripture, a reflection, a question, and a simple activity to engage the senses, such as lighting candles, listening to music, and viewing artwork, both old and new. Let yourself break away from the hustle and bustle of crafts, cookies, and Christmas parties and receive your invitation to remember the quiet focus of our celebration. *Shadow and Light* will help you reclaim the holiday season as a time to remember Jesus's first coming and to long for his one-day return.
