God Loves Sex An Honest Conversation About Sexual Desire And Holiness:

God Loves Sex Dan B. Allender, Tremper Longman III, 2014-11-04 We live in a sexually mad world where God's gift of sex has been distorted through pornography promiscuity prostitution abuse trafficking and rape The church's position on sexual matters has been made clear throughout history all sexual activity outside the boundaries of Christian marriage is sin But rarely has the church honestly addressed the true needs of Christians who are struggling with sexual desires they believe to be counter to the Bible So we hide our struggles and pretend to live above the erotic fray or else we cozy up to the culture's redefinition of which sins are acceptable But what does the Bible really say about sexual desire and sexual intimacy God Loves Sex offers a truly liberating godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God sanctioned eroticism Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity It asks provocative questions such as What does it mean to be both holy and filled with rich sexual desire and How can our sexual struggles take us deeper into the purposes of God Pairing psychological insight with sound biblical scholarship Allender and Longman bring it all out into the open allowing Christians of any age and any marital status to discover sex the way God meant it to be *Exploring Sexuality and Spirituality*, 2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge **Unquenchable Love** Rene Erwich, Almatine Leene, 2024-08-01 More than ever before there is a need for in depth dialogue between theology and sciences with regard to gender and human sexuality This is especially true for Christian communities that are increasingly challenged by the many questions and experiences people have This book provides the material to explore the various views and bring them together from a Christian perspective based on a theological account of desire It shows how gender sexuality and faith are positively connected without losing out on deep Christian values and norms **God, You, & Sex** David White, 2019-09-30 In this important and engaging biblical teaching on sexuality David White helps readers develop a Scripture based perspective that goes beyond the typical message to just wait for marriage Everyone Loves Sex Bryan A. Sands, 2017-04-11 More than 100 million acts of sex occur every day in our world If we are going to engage this arising generation we need to rethink how we frame the sexual faithfulness conversation And that's exactly what this book does Instead of the tired Don't have sex until

marriage because the Bible says so rhetoric Everyone Loves Sex uncovers what psychology and sociology reveal and the results may surprise you Sexual faithfulness is about committing to one's future spouse in spite of what one's sexual life has looked like in the past The future can be different It is about making the change and honoring the one you love or will love Rather than casting judgment or condemnation this book casts a vision for what your life could be inspiring you to not only embrace positive change but make a difference in the lives of others **Kink-Affirming Practice** Stefani

Goerlich, 2022-08-08 Kink Affirming Practice is an essential guide on how clinicians can ethically and effectively integrate elements of their client's BDSM identities and practices into their treatment planning creative interventions and client self care Embracing both an anthropological understanding of this diverse yet still marginalized community as well as a sex positive approach to mental health Stefani Goerlich recognizes the ways in which specific power exchange dynamics can evoke positive behavioral changes in clients and guides the reader in how to integrate these concepts into their clinical work Chapters discuss the foundations of BDSM what is meant by kink affirming practice the purpose of claiming power and ceding control integrating and reclaiming identities dominant submissive personas and the benefits of caregiving kink such as pet play It practically discusses how to conduct a kink affirming risk assessment as well as exploring topics like ethical and health boundary setting how to gain informed consent and the unique issues that arise when clinicians catch themselves romancing the kink This book is invaluable reading for professionals working with clients who engage in BDSM activities such as marriage and family therapists sex therapists clinical social workers and counselors It may also be useful reading for students on both undergraduate and graduate level human sexuality and sexuality courses **Sexpectations** Carol

Tanksley, MD DMin, 2024-02-13 Redefine the Way You Look at God Love and Relationships Sex is a big deal yet many Christians struggle to make sense of their sexual story in light of their faith Porn addiction hooking up hating sex same sex attraction fighting about sex or past sexual harm become part of a cycle of shame you can't escape Offering a redemptive practical path to sexual wholeness physician and minister Dr Carol Tanksley shows how to understand both the good and not so good parts of your sexual story Drawing from real life stories biblical truth and contemporary research Dr Carol empowers you to reinterpret your sexual story with honesty and compassion find freedom from shame compulsive behaviors past harm and hiding redefine the way you look at God sex love and relationships orient your sexuality as God intended and embrace what he has for your future Regardless of your relationship status don't let your past keep you from experiencing what you were created for true intimacy with God and others Reclaim his vision of sexuality and intimacy so you and He together can write your next chapter with hope *5 Things Every Parent Needs to Know about Their Kids and Sex* Anne Marie

Miller, 2016-05-17 Real Help for the Toughest Talks Most parents dread talking about sex with their children Anne Marie Miller loves giving the talk As she has shared her personal story and talked about God's gift of sex with almost half a million young people she's noticed some disturbing patterns Google is how kids learn about sex Kids are learning about sex and

viewing pornography earlier than parents think The sexually abused often don't tell anyone for fear of getting in trouble Sexual messages are being consumed daily through mainstream and social media Most parents think their child is the exception Instead of sweeping this topic under the rug Miller wants to change the narrative In this immensely practical and well researched book she equips parents to have meaningful and age appropriate conversations with their children about sex pornography and sexual abuse She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears struggles and mistakes Most important she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God

The Bible, Sexuality, and Culture

Brian Neil Peterson, 2021-05-26 We are living in a rapidly changing culture Since the 1960s the changes in our sexual ethics have become increasingly problematic How are people especially Evangelicals and other conservative Christians supposed to respond Does the Bible address these seismic changes How is a believer supposed to raise a family in the cultural chaos of the twenty first century If you have asked any of these questions before then this book is for you Peterson argues forcefully that the changes in our culture are a direct result of a postmodern and post Christian cultural rejection of the mandates established by God in the opening two chapters of Genesis The reason Western culture is imploding morally is directly connected to the Enemy's undoing of each of the Genesis mandates established by God for human and cultural flourishing With Western culture's rejection or undoing of every one of God's mandates in Genesis is there any hope for the survival of once thriving Judeo Christian cultures Peterson tackles these and many other issues in a forthright and unreserved manner This book is not for the faint of heart It is a call for a return to cultural sanity rooted in the fear of God and his Word
