The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint John's Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of God's prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint John's Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance

Who Is God? Richard Bauckham, 2020-07-21 Internationally respected scholar Richard Bauckham offers a brief engaging study of divine revelation in Scripture He probes the deep meaning of well known moments in the biblical story in order to address the key question the Bible is designed to answer Who is God Accessible for laypeople and important to scholars this volume begins by exploring three key events in the Bible in which God is revealed Jacob's dream at Bethel the revelation of the divine presence Moses at the burning bush the revelation of the divine Name and Moses on Mount Sinai the revelation of

the divine character In each case Bauckham traces these themes through the rest of Scripture He then shows how the New Testament builds on the Old by exploring three revelatory events in Mark's Gospel events that reveal the Trinity Jesus's baptism transfiguration and crucifixion This book is based on the Frumentius Lectures for 2015 at the Ethiopian Graduate School of Theology in Addis Ababa and on the Hayward Lectures for 2018 at Acadia Divinity College Nova Scotia

The Nightmare of God Daniel Berrigan, 2009-04-11 Written during the 1970s and early 1980s at the height of Daniel Berrigan's work to stop the Vietnam war and nuclear weapons The Nightmare of God offers a stunning commentary on the book of Revelation as a textbook of nonviolent resistance to empire It begins in jail where Berrigan sits after a 1976 protest at the Pentagon As he takes us through the book of Revelation Berrigan suggests that apocalyptic language and imagery are used to name Death and its empires and wars as anti Christ and challenges us to do the same today to name every empire and war as anti Christ anti humanity anti creation Written with poetic insight and prophetic passion Berrigan urges us to resist the culture of war as the early Christian heroes and martyrs did so that we can end the suffering heal humanity and join our place to worship the God of peace Tom Lewis Borbely's photo etchings complement the literary images Daniel Berrigan describes Tom's art as healing the ancient killing split between ethics and imagination

Thunder Vision Calvin, 2013-12 To the Church of Christ Who is God and what evidence is there that what he says is real and true What are the promises of God Has God delivered on his promises If The God of the Bible is the one and only true god is there a logical way to see and know the things he claims is true In this Book Thunder Vision I would like to make the case that the book of revelation gives us the ability to see the evidence on all these questions In the post modern world we live we are bombarded with questions about God and our faith in god that are hard to answer We hear Questions like these almost every day People are looking for the truth some believe the bible at face value and some look for more concrete evidence In the end we all have to look at the evidence in the Creation and more importantly his revealed will in his law and through his Son Jesus Christ Because of my belief and faith in God as an Evangelical Christian and student of the Bible faith has been essential for understanding his Promises On the other hand I want to show you there are Logical numerical patterns encoded in the Chapters and verses of the book of revelation that will enhance your faith which in turn authenticates the words of God by using simple math Addition division subtraction This plays on our intellect and in turn helps us to understand what he is saying This pattern of numbers or seals in the book of revelation lets us see God and his promises to us in the rest of the bible clearer than ever before The Bible was written to us by God through many people through the ages as we look back into history at His promises in the light of the seven seals this helps us understand him more The seals coincide with the seven days of creation in genesis and we see this pattern throughout the bible as a whole So when God references ideas and promises in Prophecies in the seven seal structure we can always get a better sense what he is talking about My hope is that we will learn to love him more through John's teaching in the book of Revelation

Reading God's Story George H. Guthrie, 2011-11-01 Stories are basic to life Everybody loves a good story We have been reading listening to or watching stories all of our lives so we intuitively know a lot about how they work Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together Indeed God gave us the stories of the Bible to reveal great truth about Himself and about our lives and He wants to draw us into the ongoing story of what He is doing in the world By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively Reading God's Story takes that clear narrative approach to the Bible arranging the complete text into a fresh chronological reading plan developed for the Read the Bible for Life biblical literacy initiative In this plan the books chapters and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture day by day from beginning to end understanding the flow of events and how all the different parts fit together to make sense Reading God's Story features two color interior page layout and is organized into 52 weeks of readings six readings per week It presents Scripture in three main acts God's Plan for All People God's Covenant People God's New Covenant People and seventeen total scenes providing an introduction for each act and scene to orient the reader to its importance in the grand story Unlike other chronological Bibles this arrangement is not date specific e g January 1 so a person can begin using this edition at any point in the calendar year

The Role of the Spirit in the Eschatological Ethics of Revelation Pandelani Paul Mbedzi, 2015-06-24 The role of the spirit in the eschatological ethics of revelation was a topic that has given me great joy to learn the book of Revelation the role of the spirit eschatological and ethics In this book I have discovered the plan of salvation which was laid before the foundation of the world in a very clear manner God the master of the universe revealed to John the final story of this world's history at the Isles of Patmos The trinity is well explained and even their duties as the Godhead God the Father God the Son and God the Holy Ghost of which my dissertation is looking at the office or the role of the spirit in the second coming of Christ From Genesis to Malachi it is God the Father who revealed himself to mankind and from Matthew to Acts 1:8 it is God the Son who came in person to reveal God the Father and from Acts 1:9 to Revelation it is God the Holy Spirit who will teach

us all that God the son could not finish teaching us The script is divided into five chapters which are the orientation into the book of Revelation the theology and the ethics of the book Revelation the eschatology ethics in Revelation the Holy Spirit in Revelation and the role of the spirit and eschatology ethics of Revelation which is the theme of this script Then we have the conclusion of the script **Revelation's Great Love Story** Larry L. Lichtenwalter,2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return *Revelation* Jeff
