God's Assassins M. Patricia Marchak, William Marchak, 1999 Between 1976 and 1983 an estimated 30 000 Argentines disappeared under the military junta Most were imprisoned and tortured before being murdered by the military In the two years preceding 1976 another 2 000 were assassinated by paramilitary death squads loosely organized by the Argentine government of Isabel Per n God's Assassin Steve Wollett, 2020-12-29 How do you serve a god of love when in fact you are a killer of men How can you call yourself just when you are a righteous hammer that knows no fear or remorse Does such a man deserve the love of a caring and benevolent god God s Assassin is a Lovecraftian tale that follows a killer who serves a higher purpose A man who is not without flaws who may even be a villain himself With his faith to guide him Father Dominic Rujero must navigate a Machiavellian plot that could spell the end of humanity His travels will take him around the world as he seeks answers Allies will come and go but one thing remains true Rujero is not just fighting for the sake of the world but also for his own humanity In a world of demons and technology is there a place for the righteous to call home The winner of this war will not only inherit the Earth but all of its inhabitants as well Inspired by the writings of H P Lovecraft Mike Pondsmith and Ian Fleming God s Assassin is a blend of supernatural thriller international spy story and high intensity cyberpunk adventure Set in a very near future one might wonder if such a secret war is being fought right now When cosmic horrors are real are there really any rules that matter Do the actions of one man make any difference at all And if that man is flawed does the taint of those flaws also taint the good that he does for the world The author was surprised by his conclusions and wonders what yours will be Assassins of God U. B. Gunasinghe, 2008-10-13 Dr Ronald Lambert was a scientist specializing in stem cell research who was framed for murdering a young subject involved in one of his experiments Unbeknownst to him this was just the first step in a global conspiracy A conspiracy headed by a secret right wing conservative group who were bent on disproving the science behind stem cells for their own religious ends On the run from authorities he journeys to Israel and becomes involved in an archaeological excursion that ends in a mausoleum located in India and the possible final resting place in India for the Savior of Man He will need to be able to use only his trained scientific mind to survive being pursued by corrupt US secret agents long enough to expose the real murderers God's Assassins Gavin Baddeley, Paul Woods, 2009 Terrorism the imposition of or opposition to government with the threat or fear of force is mostly regarded as a modern horror implemented by bombs hijackings and assassinations But the origins of terrorism occur far back in the Middle Ages when the forefathers of the modern world s most uncompromising terrorists al Qaeda and the Palestinian suicide bombers laid down their murderous creed In the 11th Century Europe was a region of feudal kingdoms at war while the Middle East was much more pluralistic placing less theological restrictions on the lives of individuals or the pursuit of knowledge It was against this liberal environment that Pope Urban II launched his own version of a jihad a holy war against the decadent unholy Islamic world The reaction in the Islamic world was one of increasing fury

and we continue to reap its consequences centuries later Islam would become increasingly militant as Muslim sects that preached intolerance and force gained ground One such heretical sect was the Nizaris a mystical order of warriors founded by a Persian named Hassan Bin Sabah later known in the West as the Assassins Hassan inspired fanatical loyalty in his followers and Assassin cultists were unafraid of capture and death According to tales brought back to Europe by Marco Polo in 1295 the Old Man of the Mountains fed his followers with hashish before taking them to a secluded garden where they were indulged with forbidden pleasures principally the sexual favours of young women On returning to normal consciousness the Assassin was told he had experienced the heavenly garden of Paradise and would spend all eternity there provided he lived in the service of the cult Assassin cultists would therefore infiltrate enemy courts and army camps reputedly remaining incognito for years ready to commit murder upon their master's signal It was the birth of strategic terrorism In modern times the legend of the Assassins carries a more symbolic significance Some intellectuals have drawn a parallel between Hassan Bin Sabah's maxim Nothing is true everything is permissible describing the dream trance of the hashish eater and the 1950s concept of brainwashing the belief in turning soldiers into sleeping assassins Most chilling however is the Islamic fundamentalist belief in martyrdom through assassination High on nothing but piety the suicide bombers the followers of Osama Bin Laden and the September 11th terrorists were promised that which their puritan creed denies them on earth the sexual favours of the 72 houris virgins of heaven as a reward for he who kills in the name of Allah This illuminating study analyses the origins and history of terrorism separating legend from truth to uncover the true roots of the fanatical terrorist acts the world has witnessed in the last decade This will be essential reading for all historians and for anyone who up until now may have thought that outrageous acts of terrorism causing untold civilian casualties was a curse of the modern age

**The Claims of God to Recognition in the Assassination of President Lincoln** J. D. Farquhar, 1865 Bonhoeffer the Assassin? Mark Thiessen Nation, Anthony G. Siegrist, Daniel P. Umbel, 2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas *THE STUDY OF THE PROPHETIC ASSASSINS AND OTHER SPIRITS THAT TRIES TO ASSASSINATE THE KINGDOM OF GOD* Apostle Dr. Bridget C. Outlaw, 2019-10 DESTINY MINISTRIES INTERNATIONAL SCHOOL OF THE PROPHETS Destiny Ministries International School of the Prophets is a School of the Prophets and School of Intercession and School of the Seers Training Academy that has been in existence for over 25 years Destiny Ministries International School of the Prophets has trained thousands of Prophets to learn battleground precision in battle and how to discern demonic spirits

that tries to assassinate the Kingdom of God The Destiny Ministries Training Academy this year in 2019 received a Prophetic name change to its current name Destiny Ministries International School of the Prophets The definition of the word Destiny means The hidden power believed to control a person one s fate or destiny The Multiple Spirits and the many faces of The Jezebelic Spirit is a Captivating Prophetic Manuel about the study of Jezebel and how this Diabolical Spirit has plagued our Churches and Communities and the Kingdom of God God has given Apostle Dr Bridget C Outlaw The Founder and Pedagogical Instructor a revelation concerning what the Body of Christ is up against It is crucial in this hour that Prophetic Ministries in the Kingdom of God become Kingdom Strategist who understand the demonic spirits and forces that are on assignment to destroy the Kingdom The Bible declares in Ephesians 6 12 For we wrestle not against Flesh and Blood but against Principalities and Spiritual Wickedness in high places      *Supreme Devil General You MengDeXiangJia,2020-07-01*

Chen Ren who possessed the blood of the three races had coincidentally obtained the teachings of the Blacksmith Saint and chose the path of a Magician that no one had ever succeeded in cultivating The path of cultivation was filled with obstacles and thorns and one mistake would result in death It was true that taking the old route of cultivation would reduce the danger but how could one reach the peak of cultivation by following the old path I have the blood of the human race so I value friendship I have the blood of the elves so I love peace and never bully the weak but if you think I am easy to bully then I also have the blood of the demons I can attack you with my sword without a word He could be happy to avenge his benefactors slaughter his enemies and slaughter his way out of the mountains of corpses and the seas of blood      *God's Jury Cullen Murphy,2012-01-17*

From Torquemada to Guant namo and beyond Cullen Murphy finds the inquisitorial impulse alive and only too well in our world Jane Mayer author of Dark Money Established by the Catholic Church in 1231 the Inquisition continued in one form or another for almost seven hundred years Though associated with the persecution of heretics and Jews and with burning at the stake its targets were more numerous its techniques were more ambitious and its effect on history has been greater than many understand The Inquisition pioneered surveillance censorship and scientific interrogation As time went on its methods and mindset spread far beyond the Church to become tools of secular persecution Traveling from freshly opened Vatican archives to the detention camps of Guant namo to the filing cabinets of the Third Reich the author of Are We Rome masterfully traces the social legal and political evolution of the Inquisition and the inquisitorial process from its origins in late medieval Christian France to its eerily familiar secular cousin in the modern world San Francisco Chronicle God s Jury is a reminder and we need to be constantly reminded that the most dangerous people in the world are the righteous and when they wield real power look out Murphy wears his erudition lightly writes with quiet wit and has a delightful way of seeing the past in the present Mark Bowden author of Hue 1968 Beautifully written very smart and devilishly engaging The Boston Globe      *The Assassin's Throne E. Oegema,2021-09-16 This book examines the connection between religion and violence in the Western traditions of the three Abrahamic faiths from ancient to modern times It addresses a gap in the scholarly debate on the nature of religious violence by bringing scholars that specialize in pre modern religions and scriptural traditions into the same sphere of discussion as those specializing in contemporary manifestations of religious violence Moving beyond the question of the authenticity of religious violence this book brings together scholars from a variety of disciplines Contributors explore the central role that religious texts have played in encouraging as well as confronting violence The interdisciplinary conversation that takes place challenges assumptions that religious violence is a modern problem that can be fully understood without reference to religious scriptures beliefs or history Each chapter focuses its analysis on a particular case study from a distinct historical period Taken as a whole these chapters attest to the persistent relationship between religion and violence that links the ancient and contemporary worlds This is a dynamic collection of explorations into how religion and violence intersect As such it will be a key resource for any scholar of Religious Studies Theology and Religion and Violence as well as Christian Jewish and Islamic Studies     *Assassin's Creed* Oliver Bowden,2017-01-12 Collected together for the first time all eight Assassin s Creed novels based on the phenomenally successful gaming series Fans of the game will love these stories Titles in this Collection include Underworld Unity Black Flag Forsaken Revelations The Secret Crusade Brotherhood Renaissance The covert war between two secret organizations the shadowy Templar Knights and the elite Order of Assassins has been raging for millennia Following the murder of his father and brothers Ezio Auditore di Firenze is entrusted with an ancient Codex the key to a conspiracy that goes back to
