## **God S Lineup Testimonies Of Major League Baseball Players:**

**God's Lineup** Kevin Morrissey, Elizabeth Morrissey, 2012-01-06 God s Lineup is a collection of testimonies from Major League baseball players and how Christ has impacted their lives on and off the field There are trying times in the sport of baseball and among Christians This book is a breath of fresh air for both baseball fans and Christians It illustrates how all people including the top baseball players face trying times and how being saved has changed them and the way they play the game Each chapter focuses on one ball player and tells the story about how their life was before knowing Christ how they came to know Him and how their life has changed *The Mental Road to the Major Leagues* Kelly J. Pfaff, Peder N.

Piering, 2014-01-10 Integrating sport psychology with the personal testimonies of baseball players this helpful guide offers a step by step overview of what it takes for a boy playing little league baseball to work his way to college ball the minor leagues and beyond Throughout emphasis remains on the mental challenges players face and ways players can prepare for these challenges both on and off the field From college scholarships to meager minor league salaries from getting traded to getting injured this handbook will help athletes and parents navigate choices while illuminating the mental aspects that give the game its unpredictability and vitality *The Booklist*, 1953 **The Cultural Encyclopedia of Baseball, 2d ed.**

Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs *A.L.A. Booklist*, 1952

*Arlie Latham* L.M. Sutter, 2012-10-06 One of early baseball s most popular celebrities Arlie Latham played for the St Louis Browns in the 1880s A brainy hitter and base runner he was also the sport s brashest funniest player his fresh personality bringing him as much trouble as reward He played with the 19th century s greatest names and was friends with everyone from King Kelly to King George V He parlayed his stardom into a vaudeville career and the first official major league coaching job In his fifties he carried the game he loved into world war to cheer Allied troops and in his seventies went to work for the Yankees Arlie Latham s baseball odyssey is made more compelling by the parade of players gamblers boxers
