Valley of Dry Bones Live Again, Rebuilding the Walls of Your Torn Down Life Dr. Sylvia Black, PhD, 2020-08-22 There may have come a time in your life when you feel like you have lost your zest for life Because of all the hell and high water that you've been through it may seem as if you have lost your joy your peace you desire to go on It's very easy to fall apart because of all you have been through But today is a new day Take encouragement also from the vision of the valley of dry bones Jerusalem was totally annihilated and there was nothing left but dead bodies all over the city The city was destroyed and everybody in it was killed Now there was desolation hopelessness Materially it looked impossible to rebuild everything and everyone was destroyed But if you know God like I have gotten to know Him then you know God can do anything but fail God works best in situations where the human hand cannot He is with you in every battle I fight He uses trials and tribulations in situations and circumstances to bring about triumph and victory in the life of the believer God Gives Us A Spirit Of Strength And Power Through faith in Christ we are given a spirit of power love and discipline and for that reason we have nothing to fear We can hold onto his promises and be confident that he'll see us through even the darkest of days You will be countlessly blessed You will be prodigious in your wealth You will be boundless and unlimited in your health and any other areas that are dry in your life Don't give up on God and He won't give up on you

The Return of the Circuit Rider David Robert Hinshaw, 2011-03-10 In the process of writing two short collections of light hearted material one published and one yet to be published the author became acutely aware that he could not continue forward without addressing what he considered to be the most important issues of human existence All of us have asked ourselves the questions What is the meaning of life and Why am I here Some have rejected the idea of an eternal soul some are undecided while others are largely unconcerned but the author has chosen to embrace the concept and run with it He believes there is a single overriding mission for every individual alive today The sole purpose of this life is to prepare for the next one and every person has been given the ability to control his own destiny When compared to eternity our lives are like a single knot in a rope that stretches around the world From the foundation of the earth a plan has been in place to allow humanity to share the wonders of eternity with the Creator of all things Those who follow that plan will be rewarded accordingly while those who prefer to separate themselves from the influence of a Higher Power will be

granted their wish in eternity If this book convinces one person to follow the plan that leads to redemption then it will have been well worth the effort
