## **Gods Seven Wonders For You:**

God's Seven Wonders for You Charles Livingstone Allen, 1988-02 This is an enlightening book for new Christians and for all seeking to apply their beliefs to their day to day experiences of life Through personal anecdotes and accounts of historical figures and biblical personalities the author testifies to the reality of these seven wonders Wisdom for Each Day (Large Text Leathersoft) Billy Graham, 2019-11-26 For decades people around the world have turned to beloved and trusted pastor Billy Graham for wisdom to live boldly for Christ Billy Graham preached to millions of people but his message was personal to each of us Christianity is about having a relationship with God through faith in Jesus In Wisdom for Each Day you ll find 365 brief devotions and Scripture to help nurture and strengthen that relationship This beautiful leathersoft edition of Graham s timeless internationally acclaimed devotional now has a larger size font and takeaway thoughts that will make it an inviting addition to your daily study of the Word In its pages you ll find priceless reminders of God s loving nature and unfailing strength to carry you through each day Religious Humor in Evangelical Christian and Mormon Culture Elisha McIntyre, 2018-01-25 Incorporating perspectives from religious studies humor studies cultural and film studies and theology as well as original data from textual analysis and the voices of religious comedians this book critically analyses the experiences of believers who appreciate that their faith is not necessarily a barrier to their laughter It is often thought that religion and humor are incompatible but Religious Humor in Evangelical Christian and Mormon Culture shows that humor is not only a popular means of entertainment but also a way in which an individual or community expresses their identity and values Elisha McIntyre argues that believers embrace their sense of humor actively producing and consciously consuming comic entertainment that reflects their own experiences This process is not however without conflict The book argues that there are specific characteristics that indicate a unique kind of humor that may be called religious humor Through an examination of religious humor found in stand up comedy television sitcoms comedy film and satirical cartoons and drawing on interview data the book outlines the main considerations that Christians take into account when choosing their comedy entertainment These include questions about ideology blasphemy taboos around the body and the motives behind the joke
