Gods Timing For Your Life:

God's Perfect Timing J. Martin, 2016-10-24 Without question one of the hardest things to do is wait for Gods timing In this fast paced world in which we live things are set up for maximum speed and efficiency Technology is now moving faster than ever before Smartphones are so cutting edge that they allow news events to arrive seconds after they actually occur We are so used to everything moving at lightning speed that we have a very hard time adjusting to the slower pace that God likes to work things out Dazed and confused we look for answers in all the wrong places Our life becomes directed by fear instead of faith We grow disheartened Our faith can weaken If you watch a seed grow you will not see much change from one day to the next Although without water and care it will die Faith is no different There are perfect times in your future when your life will blossom All that God asks is for you to wait When you learn to wait for God s timing your life will overflow with grace Surely that is not for me Yes it can be God has a perfect time to turn your life around No amount of worrying or sleepless nights will change that time Don t let the negative thoughts make you think otherwise Rev J Martin When Jermaine Nichols, 2021-09-21 WHAT HAPPENS JUST BEFORE A MIRACLE How can cancer save a marriage How does the anointing overcome abuse Can an accident be both a great tragedy and a great testimony The miracles we pray for are often preceded by things we didn t plan But the God that split an ocean with a stick slayed a giant with a stone and crumbled a fortress with a shout is the same God that uses unusual circumstances to guide us to a life of extraordinary purpose Through a refreshing exploration of scripture and spiritual insight When Understanding God s Timing For Your Life reveals how our unusual unexpected and even unwanted experiences are all part of God s plan to make our lives impactful Pastor Jermaine PJ Nichols examines biblical and personal moments to reveal how God determines when we are ready for our destiny When Understanding God s Timing For Your Life will challenge you to exchange your earthy timelines for God s miracle moments He helps readers understand What God is looking for when He decides to bless us How to recognize and enhance our spiritual growth How the Holy Spirit responds to prayer The importance of spiritual perspective when moving by faith Drawing lessons from Scripture and his own life PJ Nichols provides insight for those who feel left behind or burdened by the struggles of life In WHEN he explains how God uses our circumstances as guideposts to discovering of purpose and destiny

Divine Timing Bill Vincent, 2024-03-12 In Divine Timing Understanding God s Perfect Plan for Your Life readers are invited to explore the profound concept of God s timing and its impact on our daily lives This insightful book delves into the often overlooked truth that God s timing though mysterious is always perfect Through a series of engaging narratives and biblical references the author illuminates the significance of aligning ourselves with God s timeline rather than our own Drawing from everyday examples such as the patience required in cooking a meal to perfection the book makes the abstract concept of divine timing tangible and relatable It challenges the reader to consider how impatience and a desire for immediate gratification can lead us astray using the analogy of a bus stop to illustrate how rushing ahead or lagging behind

can disrupt God's plan for us Divine Timing also tackles the difficulties of waiting and the struggle to trust in God's plan especially when His schedule doesn't align with our expectations It provides a fresh perspective on waiting periods as not just idle time but as opportunities for growth and preparation for what's to come The book culminates in a powerful reflection on the biblical story of Jesus and Jerusalem serving as a stark reminder of the consequences of missing our appointed time with God It emphasizes the importance of being receptive and responsive to God's guidance avoiding the pitfalls of haste and impatience Perfect for anyone seeking spiritual growth or struggling with the concept of divine timing this book offers a comforting assurance that while we may not always understand God's ways we can trust that He is working for our good It's a call to embrace the journey of faith with all its twists and turns trusting that in the end we will arrive exactly where we're meant to be exactly when we're meant to be there **God's Timing for Your Life** Dutch

has made everything beautiful in its time Also He has put eternity in their hearts except that no one can find out the work that God does from beginning to end Eccl 3 11 Therefore understanding God s divine timing which is a precise time that God sets in His own calendar to intervene in our lives is a key to dominion and victorious living The author has provided us with empirical examples of people who experienced the power of God s visitation in their lives what they did to experience it and how we can live and experience the power of His divine timing at work in our lives Of the sons of Issachar who had understanding of the times to know what Israel ought to do their chiefs were two hundred and all their brethren were at their command 1 Chronicles 12 32

Trusting God's Timing Steven Stoffelsen,2017-01-17 Many times Christians excitedly receive a promise or vision from God From that moment forward they want to tell the whole world what God is going to do in and through them It s so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29 18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass
