**Able by Grace: A Testimony of Faith, Disability, and Finding God's Purpose** Tylia L. Flores,2025-03-05 My journey of faith

hasn't been a straight easy path. It's been a winding road filled with twists, turns, and unexpected detours. From a childhood filled with the whimsical faith nurtured by VeggieTales to the harsh realities of adolescence battling Cerebral Palsy, depression, and anxiety, my story is one of both immense challenge and unwavering hope. I've experienced moments of profound connection with God where His love has washed over me like a tidal wave. I've also stumbled through seasons of doubt where I questioned His existence and His plan for my life. I've been hurt by a church community that failed to live up to its calling of inclusion and love. I've felt isolated and alone, overwhelmed by the physical and emotional burdens of my disability. Yet through it all, God's love has persisted. His hand has been a steady guide leading me through darkness and into the light. This book is a raw and honest account of my personal struggle to reconcile my faith with the realities of my life. It's a testament to the healing power of God, a celebration of His unwavering love, and a beacon of hope for others who are struggling with similar challenges. I invite you to join me on this journey, a journey of faith, vulnerability, and ultimate triumph. Prepare to be challenged, to be moved, and to be reminded of the incredible power of God's grace in the face of life's most difficult trials. This is more than just my story; it's an invitation to embrace your own story, to find strength in your faith, and to discover the purpose God has uniquely crafted for you.

Vincent, 2023-02-05 God said to me Why is there no lasting revival Most revivals don't last long They start up Sometimes it takes a while to start them up But sometimes they start up and then they fizzle out Five years is a very long revival I've been in a revival where it's been two years I've been in a revival that was only six months And you got to understand whatever the timetable is there are different levels of revival But why isn't there any long lasting revival and I got some things that I'm going to get into here but I'm going to be jumping around But I really believe that we have gotten to be in a delusion in the church People don't even know what they're asking for when they ask for revival they want revival to come They want God to move in the church But then when God begins to shift and begin to try to do it they're like oh I don't want that Let me tell you something you cannot say what the revival is going to be You can't choose the revival You can't even choose the people that are going to come to it Come on we would like to choose And it's you say all that what's wrong with that There's something wrong with that But you got to understand I couldn't have a choice God's that kind of God sometimes he'll bring some of those people And they'll come and they'll plop it down in the seat And they'll have the stirring like they never left And I'm telling you there's a lot of things that are happening but we have been delusional for so long And there are some things that are about to happen because we want the stirring of revival but we don't want the change Let me tell you some revival is going to come and it's going to change everything It's gonna change the way you even look at church
