God Is in My Sandbox Kris Jepsen, 2017-05-08 Silver drops of floating stars held in grass to drink as tea funnelled down to roots and soil to form a dewy starlight sea Kris Jepsen Kris Jepsen has learned to be ready and to listen to Gods voice whenever He speaks In her first collection of writings she shares prayers and poems intended to lift others up to reflect on their lives and reach for something better through faith and Gods love In her short prayers Kris encourages others to embrace hope as the day begins and peace as the sun sets to see the loveliness of the world and impart kindness to be comforted by Gods presence and to be meaningful and useful to all Within poignant poems Kris reflects on love wonder and nature while exploring an inspirational encounter with a homeless woman the relationship between mother and daughter as life comes full circle and a beautiful conversation between St Peter and God In this compilation of poems and prayers a woman of faith reflects on the wonder of love nature and the daily inspiration that surrounds all of us [When Texas Prison Scams Religion](#) Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **My 12 Steps Closer to God** Destiny A Woman of Faith, 2019-02-21 This is a true story of a woman who overcame depression anxiety post traumatic stress disorder and codependency with the help of God Her journey started the day she decided she would take her own life She encountered real life struggles that included a bitter divorce with a narcissist and the loss of everything she had ever known including herself With God s love grace and mercy He brought her out of darkness then saved and healed her With the power of the

Trinity she started a new life found herself God's calling and purpose She was given a story and the Lord asked her to share it

Fowler, 2006 Textbook **Season of Change** J. Renee Himler, 2001-07-27 The chapters of Season of Change chronicle the formation and development of a friendship that has been described as a David and Jonathon relationship with the backdrop of a woman struggling with ovarian cancer Season of Change differs from other books that have been written on the same subject by the following first of all an Oncology Certified Nurse OCN has written this Secondly and most importantly throughout the book the Gospel or Good News message of salvation is clearly presented Thirdly this book challenges the barriers between a Protestant and devout Catholic Sister Spirituality is not embraced as a new concept to improve the health of the patient but introduced as the way of life for each of the main characters the nurse and the patient Over all the reader can conclude that the grace of God is sufficient for all our needs As the story progresses there is less emphasis on the temporal physical and more on the eternal spiritual Basically this book appeals to the individual diagnosed with cancer or other life threatening chronic illness and those people professional or lay who care for cancer survivors Numerous Protestants and Catholics are interested in reading this book to develop greater insight into what the other believes I personally invite you to open the pages of Season of Change to celebrate the joys in the gift of friendship Brew some tea and experience a corner of my world *Blue Sunday* Latricia Thornton, 2021-06-30 Blue Sunday was a story that I created in 2016 It is a story about redemption for the assistant pastor Gregory Emory who wanted nothing to do with God after two of his closest family members died and the redemption of a former drug addict Shane Gaudet who was running from his own past troubles that cause him to hide from God The main character Greg believes God cured him of cancer In turn because he is in the business of saving souls he wants to help his old best friend find God God brings the two men together under the same roof and leads them through a series of dreams to rediscover each other I was very intrigued by how my mother and her sisters would interpret dreams ever since I was a little girl I decided to create a story that included a series of dreams

that had to be decoded throughout until the very end
