Waits, 2014 A Book for Safety Razor Collectors This book is a black and white version of a color digital edition first published in 2005 as a limited edition CD ROM There are over 1300 entries including pictures of safety razors advertisements and patents Alphabetical entries are organized by razor trademark or trade name Separate sections cover the major manufacturers AutoStrop Durham Duplex Gillette Kampfe Bros Rolls Schick razors of the USSR Wilkinson plus the American Safety Razor brands Ever Ready Gem and Star followed by a sampling safety razor related collectibles A U S Patent List includes an illustration from each of the safety razor related patents issued prior to 1905 Lastly is a Bibliography of sources The Family in Past Perspective Ellen J. Kendall, Ross Kendall, 2021-05-30 This volume takes a more comprehensive view of past familial dynamics than has been previously attempted By applying interdisciplinary perspectives to periods ranging from the Prehistoric to the Modern it informs a wider understanding of the term family and the implications of family dynamics for children and their social networks in the past Contributors drawn from across the humanities and social sciences present research addressing three primary themes modes of kinship and familial structure the convergence and divergence between the idealised image and realities of family life and the provision of care within families These themes are interconnected as the idea and image of family shapes familial structure which in turn defines the type of care and protection that families provide to their members The papers in this volume provide new research to challenge assumptions and provoke new ways of thinking about past families as functionally adaptive socially connected and ideologically powerful units of society just as they are in the present A broad focus on the networks created by familial units also allows the experiences of historically underrepresented women and children to be highlighted in a way that underlines their interconnectedness with all members of past societies The Family in Past Perspective builds a much needed bridge across disciplinary boundaries The wide scope of the book makes important contributions and informs fields ranging from bioarchaeology to women s history and childhood studies *Before Gillette* Robert K. Waits, 2009-01-01 A book for the barberiana collector or anyone curious about the history of safety razors before Mr Gillette s invention The stories of inventors and patents plus numerous photographs of collectible safe shaving devices Index *The Official Price Guide to Antiques and Collectibles, 1993* David P.
