Encyclopedia of Motherhood Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The Encyclopedia of Motherhood is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences

Intensive Mothering: The Cultural Contradictions of Modern Motherhood Linda Rose Ennis, 2014-12-01 To celebrate the twentieth anniversary of Sharon Hays landmark book *The Cultural Contradictions of Motherhood* this collection will revisit Hays concept of intensive mothering as a continuing yet controversial representation of modern motherhood In Hays original work she spoke of intensive mothering as primarily being conducted by mothers centered on children's needs with methods informed by experts which are labourintensive and costly simply because children are entitled to this maternal investment While respecting the important need for connection between mother and baby that is prevalent in the teachings of Attachment Theory this collection raises into question whether an over investment of mothers in their children's lives is as effective a mode of parenting as being conveyed by representations of modern motherhood In a world where independence is encouraged why are we still engaging in intensive motherhood

Ignore It! Catherine Pearlman, PhD, LCSW, 2017-08-08 This book teaches frustrated stressed out parents that selectively ignoring certain behaviors can actually inspire positive changes in their kids With all the whining complaining begging and negotiating parenting can seem more like a chore than a pleasure Dr Catherine Pearlman syndicated columnist and one of America's leading parenting experts has a simple yet revolutionary solution Ignore It Dr Pearlman's four step process returns the joy to child rearing Combining highly effective strategies with time tested approaches she teaches parents when to selectively look the other way to withdraw reinforcement for undesirable behaviors Too often we find ourselves bargaining debating arguing and pleading with kids Instead of improved behavior parents are

ensuring that the behavior will not only continue but often get worse When children receive no attention or reward for misbehavior they realize their ways of acting are ineffective and cease doing it Using proven strategies supported by research this book shows parents how to Avoid engaging in a power struggle Stop using attention as a reward for misbehavior Use effective behavior modification techniques to diminish and often eliminate problem behaviors Overflowing with wisdom tips scenarios frequently asked questions and a lot of encouragement Ignore It is the parenting program that promises to return bliss to the lives of exasperated parents

Cherishing and the Good Life of Learning Ruth Cigman,2018-08-09 What is a good human life A life of duty Virtue Happiness This book weaves a path through traditional answers We live well suggests the author not primarily by pursuing goods for ourselves but by cherishing other people and guiding them towards lives of cherishing We cherish objects too the planet my grandfather s watch and practices like music making to which we are personally drawn In this work of populated philosophy copiously illustrated by literary and real life examples a cherishing life is presented as hard and irreducibly individual The idea of cherishing says the author points towards intimate unreasonable layers of the ethical life as well as the deepening of wisdom and connection It also points towards incomparable satisfactions reminding us who we are and who we want to be

My Child Came With No Instructions Belinda Nell,2025-09-02 Brain Science for Raising Humans Who Think Differently Parenting Guide to Neuroscience Behaviour and Building Your Child s Strengths One in seven people are neurodivergent If that includes your family you have probably realised that most parenting advice was written for children who eat broccoli for

fun go to bed without arguing and remember every instruction the first time Your child does not come with a factory setting and they are definitely not here to make your life easy They think move and react in ways that make perfect sense to them even if it looks like chaos to everyone else An eight year old s brain is still under construction until around 25 That construction site is busy juggling more stimulation than generations before ever experienced So yes they can remember every Pok mon but forget shoes That is not your failing It is modern life meeting a brain that is still figuring itself out Most parenting advice bounces off like glitter on a toddler it spreads everywhere and makes everything more complicated Gentle parenting promised calm emotionally intelligent children Instead yours just had a meltdown because you dared to blink Rigid routines Great in theory but your child thrives on unpredictability and considers repetition a personal affront Traditional parenting advice bounces off neurodivergent children like glitter off a toddler it just spreads everywhere and makes everything more chaotic The internet promised that gentle parenting would raise emotionally intelligent humans Your child just had a meltdown because you breathed too loudly Your colleague swears by rigid routines but your kid thrives on chaos and falls apart when Tuesday looks too much like Monday Every parenting guru has apparently cracked the code yet somehow none of them have met your actual child who treats sleep like it s optional and vegetables like they re personally offensive If your child is autistic has ADHD is twice exceptional or processes the world differently in any way you ll find strength based approaches that celebrate uniqueness whilst providing practical support for challenges No more trying to fit square pegs into round holes or feeling guilty about your child being too much of anything Single parent Blended family Co parenting across two households Join the club of families who don t look like 1950s sitcoms but somehow manage to create love laughter and only occasional chaos There is no perfect family structure only families figuring out what works for their particular collection of humans This book won t give you magic formulas because they don t exist Instead you ll get frameworks that bend without breaking strategies tested by real families dealing with real life and permission to trust your instincts whilst still learning new tricks You ll discover why your child s meltdowns aren t manipulation but communication how to have difficult conversations without everything falling apart and practical ways to prepare kids for an uncertain future whilst keeping your own sanity intact Children don t need perfect parents who never lose their temper They need parents who show up consistently repair when things go wrong and remain genuinely curious about who their children are becoming rather than who they think they should be Your child came without instructions but you re learning to read them anyway That s exactly what good parenting looks like

Perfect Love, Imperfect Relationships John Welwood, 2007-03-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world

We Can Speak for Ourselves Billye Sankofa Waters, 2015-12-17 This work is an intervention of self representation that explores experiences of five Black mothers of the same Chicago elementary school with respect to their relationship with the author a qualitative researcher over a period of two years Black feminist epistemology is the framework that directed this project fieldwork and interpretation of the findings Additionally this work employs tools of poetry counternarratives and critical ethnography Billye Sankofa Waters reiterates the plaintive lament of the mothers of 1970s Boston when they said When we fight about education we're fighting for our lives This story of parents in Chicago is powerful poignant and oh so familiar This is a must read Gloria Ladson Billings Kellner Family Distinguished Chair in Urban Education University of Wisconsin Madison the ways that Black mothers come to know and participate in their children's education We Can Speak
