

Sean and Will sit in the bleachers at the mostly empty park. They look out over a small pond, in which a group of schoolchildren on a field trip ride the famous Swan Boats.

WILL

So what's with this place? You have a swan fetish? Is this something you'd like to talk about?

SEAN

I was thinking about what you said to me the other day, about my painting. I stayed up half the night thinking about it and then something occurred to me and I fell into a deep peaceful sleep and haven't thought about you since. You know what occurred to me?

WILL

No.

SEAN

You're just a boy. You don't have the faintest idea what you're talking about.

Good Will Hunting Script

Larry Garrison, Wallace Wang

Good Will Hunting Script:

Good Will Hunting Ben Affleck, Matt Damon, 1997 As director Gus Van Sant observes in the introduction to Matt Damon's and Ben Affleck's screenplay *Good Will Hunting* the two young actors somewhat resemble the characters they play in the film they're best friends and Affleck who plays Chuckie habitually chauffeurs Damon Will who doesn't drive Van Sant says we can see how badly Damon drives by watching the film's last scene in which he is actually driving the car with the camera mounted on it But Damon and company write better than he drives this script contains some of the boldest best monologues since *Pulp Fiction* Van Sant and cast member Robin Williams helped the young actors tame the tigers in their cranial tanks trimming the script into a precision instrument Though the stills from the film are not perfectly matched to their places in the script this story remains as much a joy to read as it is to watch on the big screen

Conversations with Gus Van Sant Mario Falsetto, 2015-03-12 One of the most talented and imaginative artists of independent cinema Gus Van Sant established himself with a number of important movies of the late 1980s and early 1990s Beginning with *Mala Noche* the 1986 gay classic of personal film expression followed by two key works of the American indie movement *Drugstore Cowboy* and *My Own Private Idaho* Van Sant films often feature characters on the borders of mainstream society Subsequent films included hits misses and a notorious remake of *Psycho* Regardless of the critical or commercial response to his work Van Sant has maintained a vision that is unique among contemporary filmmakers *Conversations with Gus Van Sant* is the first critical study to include both extensive original interviews with the director as well as discussions of his entire body of work The exchanges between film scholar Mario Falsetto and the indie filmmaker cover fifteen films directed by Van Sant over a period of thirty years Throughout these discussions Van Sant talks candidly about each film's production history visual style editing patterns and creative soundwork The director also expounds on his work with actors the relationship of independent filmmakers to the wider film industry and many other subjects related to his filmmaking process The conversations examine

the rich thematic explorations of Van Sant's films which often revolve around the search for love and community on the margins of society and feature a fascination with death. From experimental films such as *Gerry*, *Last Days*, *Elephant* and *Paranoid Park* where Van Sant rebooted his understanding of cinema and his relationship to the Hollywood film industry to *Milk* and *Promised Land* this book explores the rich network of meanings in the director's work. By melding the author's critical perspective with the filmmaker's own ideas *Conversations with Gus Van Sant* creates a wider perspective on one of the most iconoclastic and imaginative directors of the last thirty years. *Down and Dirty Pictures* Peter Biskind, 2013-01-08

In this dishy superbly reported Entertainment Weekly New York Times bestseller Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood most notably Sundance founder Robert Redford and Harvey Weinstein who with his brother Bob made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders Raging Bulls* Peter Biskind takes on the movie industry of the 1990s and again gets the story. The New York Times Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein often described as the last mogul who created an Oscar factory that became the envy of the studios while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film succeeding almost despite the mercurial Redford whose visionary plans were nearly thwarted by his own quixotic personality. Likewise the directors who emerged from the independent movement such as Quentin Tarantino, Steven Soderbergh and David O Russell are now among the best known directors in Hollywood. Not to mention the actors who emerged with them like Matt Damon, Ben Affleck, Ethan Hawke and Uma Thurman. Candid, controversial and sensationally entertaining *Los Angeles Times* *Down and Dirty Pictures* is a must read for anyone interested in the film world. *Constructing Dialogue* Mark Axelrod, 2013-11-07

Unlike most screenwriting guides that generally analyze several aspects of screenwriting *Constructing Dialogue* is devoted to a more analytical treatment of certain individual scenes and how those scenes were constructed to be the most highly dramatic vis-à-vis their dialogue. In the art of screenwriting one cannot separate how the scene is constructed from how the dialogue is written. They are completely interwoven. Each chapter deals with how a particular screenwriter approached dialogue relative to that particular scene's construction. From *Citizen Kane* to *The Fisher King* the storylines have changed but the techniques used to construct scene and dialogue have fundamentally remained the same. The author maintains that there are four optimum requirements that each scene needs in order to be successful: maintaining scenic integrity, advancing the storyline, developing character and eliciting conflict and engaging emotionally. Comparing the original script and viewing the final movie the student is able to see what exactly was being accomplished to make both the scene and the dialogue work effectively.

Hollywood Stories Stephen Schochet, 2010.
