

"This is my favorite kind of book—a messy, loving, bubbling-over-at-the-edges family, replete with exes, dogs, culinary disasters, and the tender heart of love and loss. A must-read, never-forget story."

Good Grief Ellen Stimson, 2015-10-27 An endless New England vacation becomes a way of life for one woman and her family Ellen Stimson and her husband had such a wonderful time in Vermont that they wondered what living there would really be like What if we stayed here forever So began the series of adventures and misadventures of Ellen Stimson s hilarious first book *Mud Season* Now having settled the family in Vermont s rich muddy soil they are faced with new challenges of raising kids in the paradise of this very small very rural town *Good Grief* tells the tales of the hopes and dreams of parents just trying to do their best and not always succeeding Imagine being the mom of the kid who peed on his teacher s chair On Purpose Now imagine the governor asking you about it *Good Grief* is all about the inevitable moment right after somebody says What next Ellen Stimson s irrepressible optimism and good humor prevail as she her two husbands their three kids and various much loved pets face down real life and even death and grieving with good humor intact This is life in a state where everyone knows everything and everything is everybody s else s business **Good Grief** Ellen

Stimson, 2014-09-29 An endless New England vacation becomes a way of life for one woman and her family Ellen Stimson and her husband had such a wonderful time in Vermont that they wondered what living there would really be like What if we stayed here forever So began the series of adventures and misadventures of Ellen Stimson s hilarious first book *Mud Season* Now having settled the family in Vermont s rich muddy soil they are faced with new challenges of raising kids in the paradise of this very small very rural town *Good Grief* tells the tales of the hopes and dreams of parents just trying to do their best and not always succeeding Imagine being the mom of the kid who peed on his teacher s chair On Purpose Now imagine the governor asking you about it *Good Grief* is all about the inevitable moment right after somebody says What next Ellen Stimson s irrepressible optimism and good humor prevail as she her two husbands their three kids and various much loved pets face down real life and even death and grieving with good humor intact This is life in a state where everyone knows everything and everything is everybody s else s business *The Call of the Farm: An Unexpected Year of Getting Dirty, Home Cooking, and Finding Myself* Rochelle Bilow, 2014-09-23

Honest self aware and wonderfully tender *The Call of the Farm* is for anyone who has daydreamed about a simpler life or fallen too deeply in love Rochelle Bilow a classically trained cook and aspiring food writer was nursing a broken heart and frustrated with her yet to take off career when she set out to write a short profile of a small sustainable CSA farm in central New York At most she expected to come away with a cute city girl in the country piece But after just one day of moving hay bales feeding pigs and tapping maple sap she was hooked The air was fresh her muscles felt useful and the smells from the kitchen where the farmhands gathered at day s end were intoxicating Add in a sweet but enigmatic young farmer whose soulful gaze meets her own and *The Call of the Farm* is set in motion This enticing memoir charts the unexpected year that unfolds as Rochelle immerses herself in life at the farm She cooks her way through four seasons of fresh from the earth produce with such tantalizing results as Blistered Tomato Gratin

and Crisped Potato Casserole with Shaved Chives grapples more than once with the finer points of rendering lard and begins to feel she has finally found her niche all while falling hard for that handsome blue eyed farmer **Vermont Life** ,1994
