perspective Certainly hard and demanding is the intense scientific and clinical training period lasting over a decade past college Adding to work demands is the natural and trained desire to never err in diagnosis or treatment that might add to a patient s suffering So how is a physician s life blessed Blessed is the physician granted permission by patients to enter into their lives at the most private and deep level This permission is granted in part from the patients urgent need to understand and treat their illness and pain but also out of trust earned from years of confidential interaction With this trust the physician may be witness to extraordinary challenges dramatic events and remarkable courage often in remote and isolated locations These vivid characters who speak to you in *Lion in the Night* have a hard earned truth to tell the readers Some of these truths are spoken outright but most are acted out in the drama of their decisions and lives I hope the characters voices and my witness to their struggles may add a new lens to the reader s eye into the meaning of life *Fourth Estate* ,1907

Good Lil' Boys and Girls from the Tar Heel State of North Carolina Sharon Kaye Hunt RD,2017-02-21 The book is one of twelve books of the Black Children Speak series The books are compiled interviews taken from slaves by the interviewers of the Federal Writers Project of the Works Progress Administration WPA in 1936-1938 Most of the ex slaves giving the interviews were children during slavery and gave interviews of their experiences and insights about living on plantations The ex slaves answered questions on all aspects of the plantations in seventeen states of the United States before the Civil War African Americans were freed from slavery after the Civil War in 1865 The series is dedicated to all people of the world
