The Lever of Riches Joel Mokyr, 1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation's creativity and then illustrates them by a number of detailed comparative studies examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity The Lever of Riches with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential

Ghetto Mitchell Duneier, 2016-04-19 A stunningly detailed and timely account of the idea of the ghetto from its origins in sixteenth century Venice and its revival by the Nazis to the present Khalil Gibran

Muhammad The New York Times Book Review In Ghetto Mitchell Duneier shows how the entanglements of race poverty and place in America are connected to the ghettos of Europe He traces the evolution of the ghetto as both concept and reality through the stories of scholars and activists who attempted to understand the problems of American cities Using new and forgotten sources Duneier introduces Horace Cayton and St Clair Drake graduate students whose conception of the South Side of Chicago established a new paradigm for thinking about Northern racism and poverty in the 1940s He also discusses the psychological links between slum conditions and black powerlessness the controversy over Daniel Patrick Moynihan s report on the black family and how the debate about urban America changed as middle class African Americans started escaping the ghettos In this sweeping and incisive study Duneier offers a clear eyed assessment of the thinkers and doers who have shaped American ideas about urban poverty and the ghetto The result is a valuable new estimation of an age old concept A New York Times Notable Book Winner of the Z calo Public Square Book Prize **Fodor's New York City 2015** Fodor's Travel Guides,2014-08-12 Fodor s correspondents highlight the best of New York including exhilarating sights world renowned museums fabulous boutiques and tempting restaurants Our local experts vet every recommendation to ensure you make the most of your time whether it s your first trip or your fifth MUST SEE ATTRACTIONS from the Brooklyn Bridge to Broadway PERFECT HOTELS for every budget BEST RESTAURANTS to satisfy a range of tastes GORGEOUS FEATURES on Central Park and Ground Zero VALUABLE TIPS on when to go and ways to save INSIDER PERSPECTIVE from local experts COLOR PHOTOS AND MAPS to inspire and guide your trip African American Lives Henry Louis Gates Jr.,Evelyn Brooks Higginbotham,2004-04-29 African American Lives offers up to date authoritative biographies of some 600 noteworthy African Americans These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume African American National Biography illuminate African American history through the immediacy of individual experience From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history Our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader Subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America s past and present African American Lives features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the Spingarn Medal Nobel Prize and Pulitzer Prize *Pr(i)mary Sources: Research-Based Perspectives from Living Texts* The BSMART students,2015-05-17 We are the senior class of The Brooklyn School for Math and Research a public school with students full of diverse backgrounds and experiences in life Venture into our lives as we introduce complex topics affecting New York City Certain topics that are

introduced in the book are police brutality drug abuse and gentrification We made an effort to bring forth solutions to these problems and permanently instill a sense of change We do not come from posh affluent neighborhoods we come from neighborhoods that have become infamous in NYC The subjects we are going to talk about took a lot of courage to discuss We want to enlighten readers and show that New York can raise scholars even in its worst neighborhoods

Struggles for Representation Phyllis Rauch Klotman, Janet K. Cutler, 1999 *Struggles for Representation* examines over 300 non fiction films by more than 150 African American film videomakers and includes an extensive filmography bibliography and excerpts from interviews with film videomakers In eleven original essays contributors explore the extraordinary scope of these aesthetic and social documents and chart a previously undiscovered territory documentaries that examine the aesthetic economic historical political and social forces that shape the lives of black Americans as seen from their perspectives Until now scholars and critics have concentrated on black fiction film and on mainstream non fiction films neglecting the groundbreaking body of black non fiction productions that offer privileged views of American life Yet these rich and varied works in film video and new electronic media convey vast stores of knowledge and experience Although most documentary cannot hope to match fiction film's mass appeal it is unrivaled in its ability to portray searing indelible impressions of black life including concrete views of significant events and moving portraits of charismatic individuals Documentary footage brings audiences the moments when civil rights protestors were attacked by state troopers it provides the sights and sounds of Malcolm X delivering an electrifying speech Betty Carter performing a heart wrenching song and Langston Hughes strolling on a beach Uniting all of this work is the struggle for representation that characterizes each film an urgent desire to convey black life in ways that counter the uninformed and often distorted representations of mass media film and television productions African American documentaries have long been associated with struggles for social and political empowerment for many film videomakers documentary is a compelling mode with which to present an alternative more authentic narrative of black experiences and an effective critique of mainstream discourse Thus many socially and politically committed film videomakers view documentary as a tool with which to interrogate and reinvent history their works fill gaps correct errors and expose distortions in order to provide counter narratives of African American experience Contributors include Paul Arthur Houston A Baker Jr Mark F Baker Pearl Bowser Janet K Cutler Manthia Diawara Elizabeth Amelia Hadley Phyllis R Klotman Tommy Lee Lott Erika Muhammad Valerie Smith and Clyde Taylor

Black Rodeo Mia Mask, 2023-02-28 African American westerns have a rich cinematic history and visual culture Mia Mask examines the African American western hero within the larger context of film history by considering how Black westerns evolved and approached wide ranging goals Woody Strode's 1950s transformation from football star to actor was the harbinger of hard edged western heroes later played by Jim Brown and Fred Williamson Sidney Poitier's *Buck and the Preacher* provided a narrative helmed by a groundbreaking African American director and offered unconventionally rich roles for women Mask moves from these

discussions to consider blaxploitation westerns and an analysis of Jeff Kanew's hard to find 1972 documentary about an all Black rodeo. The book addresses how these movies set the stage for modern day westploitation films like *Django Unchained*. A first of its kind survey *Black Rodeo* illuminates the figure of the Black cowboy while examining the intersection of African American film history and the western.

The Family in Social Context Gerald R. Leslie, 1982 Fully updated this comprehensive and engaging introduction to the sociology of the family offers cross cultural and historical coverage of a timely topic. For this new edition the authors have added a glossary expanded and revised many of the chapters and included a short outline at the beginning of each chapter to provide an overview of material covered. An entirely new section on adoption has been added and the chapter on dual career families greatly expanded.

Pioneers of Photography Kaia Stonebrook, AI, 2025-02-26 *Pioneers of Photography* explores the fascinating origins of photography highlighting the confluence of science art and entrepreneurial spirit that gave rise to this revolutionary medium. The book reveals how early photographic processes like the daguerreotype emerged from scientific inquiry into optics and chemistry forever changing visual communication. It also examines the artistic evolution of photography demonstrating how pioneers transformed a scientific technique into a powerful form of artistic expression. The book progresses chronologically starting with the scientific foundations laid by figures like Nic phore Ni pce and Louis Daguerre then tracing the evolution of photographic techniques. It showcases how photography democratized image making impacting social documentation and the rise of photojournalism. Uniquely the book underscores the human element behind the technology emphasizing the personal stories that shaped this art form.

Represented Brenna Wynn Greer,2019-07-12 In 1948 Moss Kendrix a former New Deal public relations officer founded a highly successful Washington D C based public relations firm the flagship client of which was the Coca Cola Company As the first black pitchman for Coca Cola Kendrix found his way into the rarefied world of white corporate America His personal phone book also included the names of countless black celebrities such as bandleader Duke Ellington singer actress Pearl Bailey and boxer Joe Louis with whom he had built relationships in the course of developing marketing campaigns for his numerous federal and corporate clients Kendrix along with Ebony publisher John H Johnson and Life photographer Gordon Parks recognized that in the image saturated world of postwar America media in all its forms held greater significance for defining American citizenship than ever before For these imagemakers the visual representation of African Americans as good citizens was good business In *Represented* Brenna Wynn Greer explores how black entrepreneurs produced magazines photographs and advertising that forged a close association between blackness and Americanness In particular they popularized conceptions of African Americans as enthusiastic consumers a status essential to postwar citizenship claims But their media creations were complicated subject to marketplace dictates they often relied on gender class and family stereotypes Demand for such representations came not only from corporate and government clients to fuel mass

consumerism and attract support for national efforts such as the fight against fascism but also from African Americans who sought depictions of blackness to counter racist ideas that undermined their rights and their national belonging as citizens. The story of how black capitalists made the market work for racial progress on their way to making money reminds us that the path to civil rights involved commercial endeavors as well as social and political activism.
