The sun is positioned in the upper center, creating a strong lens flare and illuminating the scene. The hands are positioned on either side of the sun, with fingers slightly spread. The sky is filled with soft, white clouds. The overall tone is hopeful and uplifting.

Gospel Your Character Totally Christs:

The Gospel Miracles in Their Relation to Christ and Christianity William Mackergo Taylor,1880 *The Adaptable Jesus of the Fourth Gospel* Jason S. Sturdevant,2015-09-07 In *The Adaptable Jesus of the Fourth Gospel* Jason S Sturdevant argues that the Gospel of John portrays Jesus as an adaptable teacher who accommodates to different people in various ways to a singular end to bring each to faith In the same way the Logos accommodates to humanity via the incarnation Adaptability serves as both an interpersonal and universal category Early Christian interpretations of John especially that of John Chrysostom describe the Jesus of John by echoing characterizations of the ideal Greco Roman pedagogue adapting to his diverse students By looking to such interpretations as well as illumination from the milieu of the Fourth Evangelist Jason S Sturdevant provides a new lens through which to understand the characterization of the Johannine Jesus **Herald of Gospel Liberty** Elias Smith,1909 *A Dictionary of Christ and the Gospels* James Hastings,John Alexander Selbie,John Chisholm Lambert,1908 **THE WORKS OF THANAEL EMMONS WITH MEMOIR OF HIS LIFE** ,1860 *A Practical View of Christ's Divine and Mediatory Characters: With a Candid Examination of Some New and Dangerous Opinions, Vented by Mr. Robert Imrie* Alexander Pringle (D.D., of Perth.),1812 *Current Opinion* ,1908 **A Dictionary of Christ and the Gospels** James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
