100 Answers to Questions from the Neighborhoods Tim Wallingford, 2016-12-29 100 Answers to Questions from the Neighborhoods Personal Evangelism Done Jesus Style Companion Study Guide is a modern day application of Jesus and the apostles strategy to fulfill the Great Commission In just 30 years their evangelistic method was bearing fruit and growing throughout the whole world Colossians 1:6 Did you know Jesus walked over 3,000 miles through neighborhoods throughout Palestine In Matthew 10 Jesus commanded his disciples to go into a neighborhood find a worthy person and stay at their home From there they went out and met the neighbors The disciples then showed love to those they met by meeting any physical needs Only then would they share God's love story the gospel of Christ This was also Jesus personal strategy Today most evangelistic plans

involve attracting the neighbors into the church Churches do this with events dynamic worship services and quality programs for every member of the family Many churches do this well but sadly the American church is in decline Less than 20% of Americans now regularly attend church In 1990 20 4% attended church In 2000 the percentage dropped to 18 7% By the year 2050 if the church doesn't change it is estimated church attendance will drop to 11 7% This can be reversed if we adopt the evangelistic strategy used by Jesus and the apostles This book gives you a detailed breakdown of the gospel the apostle Peter presented on the Day of Pentecost that ended with 3 000 baptisms in one day The book will also show you how Luke the author of Acts packaged the never changing gospel to ten different types of neighborsthe hurting religious spiritualist seeker fanatic good person abuser skeptic misinformed and pleasure seeker This book and its training manual identify over one hundred questions about spiritual matters and help you have the answers your neighbors need to hear **Worship As It Is in Heaven** John Dickson, Chuck D. Pierce, 2010-10-26 According to the Psalms God is enthroned on the praises of His people and it is from that throne that He governs the heavens and the earth If this picture of God's rule found throughout the Scriptures is accurate shouldn't the Body of Christ seek to praise the King of heaven and earth in ways that release His kingdom government into specific circumstances John A Dickson and Chuck D Pierce coauthors of **Worship As It Is In Heaven** offer the Church a fresh look at heaven's pattern of worship instituted in David's tabernacle and renewed through Jesus approach in the earliest days of the Church **Kingdom Calling** Amy L. Sherman, 2011-11-18 Amy Sherman unpacks Proverbs 11:10 When the righteous prosper the city rejoices to develop a theology and program of vocational stewardship Here is practical help for churches ministries and other faith communities to navigate the complex process of following Jesus in those places where we happen to prosper **The Worship Mall** Bryan Spinks, 2010-07-15 Religion is in competition with the leisure and entertainment industries The postmodern generation is open to spirituality but young adults have not been born into faith communities that embrace them fully and command their allegiance over a lifetime Studies suggest that for the young belief in God is an optional matter a consumer choice and different trends in contemporary worship and worship styles are offered by churches to suit personal taste What is in these trends that might appeal to Gen Y Are they worship or something other than worship Bryan Spinks invites you to walk through The Worship Mall and see what is on offer in the postmodern culture **The Western Christian Advocate**, 1907 *Resources in Education*, 1984 Serves as an index to Eric reports microform **The Complete Book of Everyday Christianity** R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow
