A silver sedan is shown from a front-three-quarter perspective, driving on a dark road at night. The car's headlights are on, illuminating the road ahead. On the hood of the car, there is a large, detailed graphic of an engine, likely a V6, with various components like the intake manifold and belts visible. The car has a roof rack mounted on top. The license plate is yellow with black text, though the text is not clearly legible. The background is dark and blurry, suggesting motion.
