Like An Orange On A Seder Plate Our Lesbian Haggadah:

Like an Orange on a Seder Plate Ruth Simkin, 2018-03-13 Not so very long ago a woman wanted to know why women can't be up on the bimah alter holding the torah She asked the rabbi why this was so The learned rabbi responded stroking his beard A woman should be on the bimah like an orange should be on the Seder plate Now each year at Passover we give to an orange the place of honor on our Seder plate This haggadah is a script for sharing the Passover Seder together in a contemporary woman affirming manner It is truly a celebration for all *Jewish Reform Movement in the US* Mara W. Cohen Ioannides, 2017-11-20 This volume examines the development of the non liturgical parts of the Central Conference of American Rabbis Haggadot Through an understanding of the changes in American Jewish educational patterns and the CCAR's theology it explores how the CCAR Haggadah was changed over time to address the needs of the constituency While there have been many studies of the Haggadah and its development over the course of Jewish history there has been no such study of the non liturgical parts of the Haggadah that reflect the needs of the audience it reaches How the CCAR the first and largest of American born Judaism's addressed the changing needs of its members through its literature for the Passover Seder reveals much about the development of the movement This in turn provides for the readers of this book an understanding of how American Judaism has developed Like an Orange on a Seder Plate Ruth Simkin, 1999

The Open Door: A Passover Haggadah Rabbi Sue Levi Elwell, 2002-01-01 The Open Door includes traditional and innovative blessings extensive commentaries and supplemental readings contemporary additions like Miriam's Cup women's and men's voices in gender inclusive language more than 40 pages of traditional and newly commissioned music and magnificent full color art Published by CCAR Press a division of the Central Conference of American Rabbis **Passing Fancies in Jewish**

American Literature and Culture Judith Ruderman, 2019-01-09 This scholarly study explores the conflicting forces of assimilation and cultural heritage in literary portrayals of Jewish American identity In *Passing Fancies in Jewish American Literature and Culture* Judith Ruderman takes on the fraught question of who passes for Jewish in American literature and culture In today's contemporary political climate religious and racial identities are being reconceived as responses to culture and environment rather than essential qualities Many Jews continue to hold conflicting ideas about their identity seeking deep engagement with Jewish history and the experiences of the Jewish people while holding steadfastly to the understanding that identity is fluid and multivalent Looking at carefully chosen texts from American literature Ruderman elaborates on the strategies Jews have used to pass from the late nineteenth century to the present nose jobs renaming clothing changes religious and racial reclassification and even playing baseball While traversing racial and religious identities has always been a feature of America's nation of immigrants Ruderman shows how the complexities of identity formation and deformation are critically relevant during this important cultural moment *When Religion Meets New Media* Heidi Campbell, 2010-04-05 This lively book focuses on how different Jewish Muslim and Christian communities

engage with new media Rather than simply reject or accept new media religious communities negotiate complex relationships with these technologies in light of their history and beliefs Heidi Campbell suggests a method for studying these processes she calls the religious social shaping of technology and students are asked to consider four key areas religious tradition and history contemporary community values and priorities negotiation and innovating technology in light of the community communal discourses applied to justify use A wealth of examples such as the Christian e vangeliism movement Modern Islamic discourses about computers and the rise of the Jewish kosher cell phone demonstrate the dominant strategies which emerge for religious media users as well as the unique motivations that guide specific groups **Like**

Bread on the Seder Plate Rebecca Trachtenberg Alpert,1997 This text explores what it is like to be part of both the lesbian and Jewish communities suggesting ways in which lesbians can reconcile these seemingly discordant elements of their identity It advocates the acceptance of lesbians into the Jewish tradition by offering new interpretations of the Torah traditionally regarded as prohibitive of homosexuality The book counters the millennia of Midrashim scholarly comment on the Torah condemning gays and lesbians by examining the culture of biblical lawgivers and the culture of the commentators themselves Exodus in the Jewish Experience Pamela Barmash,W. David Nelson,2015-05-14 Exodus in the Jewish

Experience Echoes and Reverberations investigates how the Exodus has been and continues to be a crucial source of identity for both Jews and Judaism It explores how the Exodus has functioned as the primary model from which Jews have created theological meaning and historical self understanding It probes how and why the Exodus has continued to be vital to Jews throughout the unfolding of the Jewish experience As an interdisciplinary work it incorporates contributions from a range of Jewish Studies scholars in order to explore the Exodus from a variety of vantage points It addresses such topics as the Jewish reception of the biblical text of Exodus the progressive unfolding of the Exodus in the Jewish interpretive tradition the religious expression of the Exodus as ritual in Judaism and the Exodus as an ongoing lens of self understanding for both the State of Israel and contemporary Judaism The essays are guided by a common goal to render comprehensible how the re envisioning of Exodus throughout the unfolding of the Jewish experience has enabled it to function for thousands of years as the central motif for the Jewish people **Jerusalem Transformed** Professor Emeritus of Modern Jewish History Richard I

Cohen,Richard I Cohen,2024-10 The symposium that kicks off the latest volume of Studies in Contemporary Jewry focuses on the city that is at the very center of contemporary Jewish life both geographically and culturally Jerusalem is an extremely engaging and beautiful city as well as a source of continual controversy and contestation The authors in the symposium discuss a wide range of topics with a focus on politics and culture offering readers provocative views on the city over the last 120 years Essays by historians and cultural scholars in the volume engage with such issues as visions of the city among Jews and non Jews and musical and literary imaginings of the city while other scholars bring original interpretations of the city s political evolution in the past century that will both surprise and intrigue readers The extensive book review section

illustrates the consistent interest in modern Jewish history and culture *Nashim*, 2002 [The Queer Bible Commentary](#) Deryn Guest, 2015-04-10 The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Rather than a verse by verse analysis typical of more traditional commentaries contributors to this volume focus specifically upon those portions of the book that have particular relevance for readers interested in lesbian gay bisexual and transgender issues such as the construction of gender and sexuality the reification of heterosexuality the question of lesbian and gay ancestry within the Bible the transgendered voices of the prophets the use of the Bible in contemporary political socio economic and religious spheres and the impact upon lesbian gay bisexual and transgender communities Accordingly the commentary raises new questions and re directs more traditional questions in fresh and innovative ways offering new angles of approach This comprehensive cutting edge commentary is prefaced by an introductory essay by Professor Mary Tolbert Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect lesbian gay bisexual and or transgender communities The commentary includes an extensive bibliography that directs the reader to a full range of literature relating to queer interpretation of scripture **Routledge**

The Passover Haggadah Vanessa L. Ochs, 2020-03-17 The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover Jews around the world gather for the seder a festive meal where family and friends come together to sing pray and enjoy traditional food while retelling the biblical story of the Exodus The Passover Haggadah provides the script for the meal and is a religious text unlike any other It is the only sacred book available in so many varieties from the Maxwell House edition of the 1930s to the countercultural Freedom Seder and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service The Haggadah is also the only religious book given away for free at grocery stores as a promotion Vanessa Ochs tells the story of this beloved book from its emergence in antiquity as an oral practice to its vibrant proliferation today Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah She discusses the book s origins in biblical and rabbinical literature its flourishing in illuminated manuscripts in the medieval period and its

mass production with the advent of the printing press She looks at Haggadot created on the kibbutz those reflecting the Holocaust feminist and LGBTQ themed Haggadot and even one featuring a popular television show The Marvelous Mrs Maisel Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all *Talking Back* Joyce Antler,1998 Essays that discuss the portrayal of Jewish women in American culture עלילות נשים Tamara Cohen,2002 Uppity Women We Are Eileen Nason Cambon,2008 Roots and Branches Sandi Horwitz,Barry Neil Olshen,Lisa Wright,2008 Canadian Books in Print Marian Butler,2000
