Meharry School of Nursing History Project Working Group,2016-01-30 The purpose of this project is to document the careers
and contributions of Meharry Medical College School of Nursing s generic graduates It is not a history of Meharry Medical
College established in 1876 nor a history of the School of Nursing 1900 1962 Instead it focuses on stories about some of the
666 Meharry nurse graduates who completed their generic preparation for professional nursing practice before the academic
program was discontinued in 1962 A scarcity of archival information about the nurse graduates including their contributions
to nursing and society inspired this project Meharry Medical College remains one of the nation s most distinguished
Historically Black Colleges and Universities with thriving medical dental and graduate schools Originally the stimulus for the
project emerged from a Chicago based focus group of Meharry School of Nursing graduates who realized the value of having
such information in perpetuity An all volunteer national Working Group of Nurse Alumni was later convened to continue
planning and implementing a History Project in cooperation with Meharry s National Alumni Association and the Office of the
President The ongoing work of collecting the stories of the graduates started in 2008 Rutgers College of Nursing Rutgers
