Changing Minds, If Not Hearts James M. Glaser,Timothy J. Ryan,2013-08-21 Americans preach egalitarianism but democracy makes it hard for minorities to win Changing Minds If Not Hearts explores political strategies that counteract the impulse of racial majorities to think about racial issues as a zero sum game in which a win for one group means a loss for another James M Glaser and Timothy J Ryan argue that although political processes often inflame racial tensions the tools of politics also can alleviate conflict Through randomized experiments conducted in South Carolina California Michigan Mississippi Oklahoma and New Jersey Glaser and Ryan uncover the racial underpinnings of disputes over affirmative action public school funding initiatives Confederate flag displays on government buildings reparations and racial profiling The authors examine whether communities rife with conflict endorse different outcomes when issues are cast in different terms for example by calling attention to double standards evoking alternate conceptions of fairness and justice or restructuring electoral choices to offer voters greater control Their studies identify a host of tools that can help overcome opposition to minority interests that are due to racial hostility Even in communities averse to accommodation even where antipathy and prejudice linger minorities can win With clearly presented data and compelling prose Changing Minds If Not Hearts provides a vivid and practical illustration of how academic theory can help resolve conflicts on the ground [Save Yourself Happy](#) Gemma Bird AKA Money Mum Official,2022-01-06 THE SUNDAY TIMES BESTSELLER If you re worried about the rising cost of living Instagram sensation Money Mum is here to help you save thousands without even noticing Money Mum here coming to you as always with another money tip You don t have to be wealthy or earn a huge salary to achieve all the things you want in life and I m here to show you how Just by spending a little less on everyday small costs or being savvy with your choices you will naturally have a little more for the finer things in life My exciting new book will show you everything you need to know to save money and be truly happy forever From starting small and making little changes to your everyday habits through building a second income into your lifestyle to going for the big goals in your life that you might think are out of your reach this book will help you reboot your finances one money tip at a time Inside you ll find Money Mum s ultimate deals and tips covering everything from shopping and bills to selling unwanted items How to follow a weekly No Spend Day and Make

Money Day What your money mindset does to your anxiety levels and the impact social media has on your spending Tips for getting the whole family talking about money from an early age Spending tracker templates charts and plenty of space for your own notes **Instructions and opinions** United States,1838 **Up and Running in 30 Days** Carla Cross,2001 The history of development is one marked by insecurities violence and persistent conflict It is not surprising therefore that development is now thought of as one of the central challenges of world politics However its complexities are often overlooked in scholarly analysis and among policy practitioners who tend to adopt a technocratic approach to the crisis of development and violence This book brings together a wide range of contributions aimed at investigating different aspects of the history of development and violence and its implications for contemporary efforts to consolidate the development security nexus From environmental concerns through vigilante citizenship to the legacies of armed conflicts during and after decolonization the different chapters reconstruct the contradictory history of development and critically engage contemporary responses and their implications for social and political analyses In examining violence and insecurity in relation to core organising principles of world politics the contributors engage the problems associated with the nation state and the inter state system and underlying assumptions of the promises of progress The book offers a range of perspectives on the contradictions of development and on how domination violence and resistance have been conceived At the same time it exemplifies the relevance of alternative methodological and conceptual approaches to contemporary challenges of development This book was published as a special issue of Third World Quarterly *The Internal Revenue Record and Customs Journal* ,1873
